VOL. LXXXVI NO. 17 15 CENTS PER COPY

High School Board Reaffirms Position

Your Board of Education wishes to inform you that it has no desire to enter into "Professional Negotiations", through the newspapers (or any other media) with the teachers who work for us. We are of the opinion that solutions to problems can be worked out in a much more efficient and adult manner through properly held meetings. You, the taxpayers and residents of Antioch Community High School District No. 117, elected the seven of us to operate YOUR school in the best way we know how - we are trying to do this. We do, however, want to take this opportunity to inform you of some very important facts and to reply in essence to Mr. James Corrigan's Antioch News article of October 6, 1971.

Your Board of Education is ready to meet with the ACHS Education Association's representatives at any time and at any place that would assure us of the proper atmosphere in trying to solve our problems. In fact, we have been waiting to hear from the teachers since we were sent a telegram stating that they would contact us for a meeting. The Federal Mediator completed his work with our negotiating meetings when Mr. Corrigan, Mr. Lindblad and Mr. Leitner (the Federal Mediator) initiated the tentative agreements, which the teachers later rejected by an

announced vote of 57 to 0. Under Article IX, Section 3, of the present PNA, it states that if the mediator's efforts to bring about an agreement are unsuccessful, the parties shall meet to discuss and to re-evaluate their respective positions. The parties may jointly decide to enlist the assistance of another third party. This new third party could be Mr. Leitner if both parties agreed. There is no binding arbitration involved.

Your Board of Education has made no offer, as such. All the items were negotiated and agreed upon by both negotiating teams. The board assumed the teacher's negotiating team represented the full teaching body, but since the members of the negotiating team apparently voted against the tentative agreements, they would seem to have violated a part of Article X, of the PNA which states, "Both negotiating teams shall recommend passage to their respective bodies."

In looking into past history (last fall's strike), the Board's negotiator AND the teacher's negotiator jointly agreed that no impasse existed and that a third party was not necessary (PNA, Article IX). The Board never refused to go to a third party. The teachers could have rightfully demanded the third

party under the rules of the PNA, and the Board would have had to agree. Last year's strike is now history - it has no bearing at all on the present negotiations. What does? MONEY!!!

Your Board of Education feels that no raises can be indicated at this time due to the deficit position of the district. It is not an arbitrary position, we just cannot spend money we do not have. It is as simple as that. We still compare favorable with other districts. We have available for inspection, verified figures which compare the averages in percentage increases given to our teachers over the past 5 years, with the published cost of living index increases for the same period. One example of this is: 1969/70 teachers up 15.9% while the cost of living index rose 5.6%. The Board does not feel their dignity has been injured. It is in no way recriminatory. We merely want to provide the best education possible within our budget.

Your Board of Education has and always will, extend an invitation to any member of our community to attend any of our regular board meetings and express your opinions and/or ask questions regarding the operation of YOUR school.

Bemis Elected Chairman Of Planning Commission

Mr. Robert Bemis was elected Chairman of the newly restructured Village Planning Commission at their last regular meeting, Friday, October 8.

The Planning Commission discussed the possible annexation of the area around Mr. Antioch Country Club. Mrs. Santino, new owner of the club, outlined plans for a \$40 million development for the area. Also considered for annexation was a parcel of 23 acres on the north edge of the village. No definite recommendations came from this meeting pending further investigation.

A statement of purpose was outlined at the meeting: "The outstanding purpose of the Planning Commission is not to stop growth, but to control this growth for the benefit of the Village of Antioch."

This was the first meeting of the Planning Commission since it was expanded to ten members and much of the time at the meeting was devoted to organization.

On the excitement of being on the Homecoming Court! The lucky seven for this year's homecoming are (l to r) Julie Ellis - freshman, Sharon Hall - Sophomore, Robin Ellis - Junior, Randi Francke, Barb Sander and Linda

Withner - Seniors. Each of the four class councils in the high school choose 25 girls. The freshman, sophomore and junior class then each elect one girl to represent them on the court. The seniors choose three from the original

25 - then vote again for the queen to reign over the Homecoming Weekend.

Last year's queen was Mary Wieczorek and the king was Chip Gross. They will appear this year to crown the new royalty.

Bolander Receives Nod For Grade School Bid

The Board of Education of Antioch Community Consolidated Grade School met in special session on Tuesday, October 5, to open bids on Site and Improvement work at the Upper Grade Building.

Bids were received from William Construction Co., \$44,822; Town and Country Plumbing, \$44,695; Leo J. Fox, \$47,221; Lakeland Construction, \$44,957; and Eric Bolander Construction, \$37,761.

A motion was made to accept the bid of Eric Bolander Construction subject to a satisfactory completion date. The motion was approved.

As of the end of the week the contracts with Bolander had not been signed and no completion date had been given to Mr. Henry Meyer, superintendent of Antioch Grade Schools.

The work involved in this

VILLAGE BOARD MEETING OCTOBER 19TH

A regular board meeting of the Village of Antioch will be held on October 19th at 8:00 P.M. instead of the regularly scheduled meeting.

MORE DAMAGE TO CEMETERY

More vandalism at Hillside Cemetery has been reported. On October 8 a report was received by the Antioch Police Department that two more headstones were discovered damaged. The complaint was filed by a man who discovered the damage while walking his dog near cemetery property. The latest reported damage, according to Frank Moser, Jr., is in addition to the damage reported earlier.

K of C Sponsor Halloween Rock Festival

The Knights of Columbus of the Antioch area will sponsor a youth benefit Halloween Rock Festival on Friday, October 29, 1971 at the Antioch Community High School. Well known Disc Jockey, DICK BIONDI of Radio Station WCFL in Chicago and The Blood Money's, a new and exciting Group will be featured.

In keeping with the policy of helping the youth of the area the Knights of Columbus are looking forward to a fine

evening. Activities will begin at 8:00 p.m. and end at 11:00 p.m. Refreshments will be available at the High School. Proceeds will be used to promote youth activities in the area.

Tickets are available at the various area High Schools, the State Bank of Antioch, the First National Bank of Antioch and the Savings and Loan also in Antioch. Tickets are also available from the members of the Antioch K of C's and at the door.

Security Seminar Scheduled

Any businessman in Lake County who is interested in protecting himself and his business may find the following announcement extremely valuable:

The Lake County Crime Commission is conducting a Security Seminar on November 9th and 10th, at the Holiday Inn (West), in Gurnee, in hopes of bringing businessmen up to date on what they can do to protect their interests.

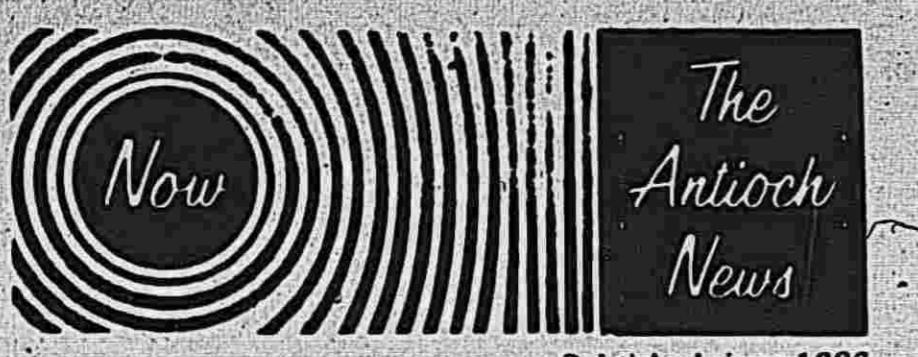

The first day, Nov. 9th will be devoted to presentations on

Burglar Alarms, Locks, Keys, Safe Selection, and speakers will inform those present on how to spot the narcotics abuser, the alcoholic; what and how you can find out about a person's criminal background, and the types of agencies who can assist you in screening prospective employees through the use of Polygraph, Credit Checks and Police Records.

The second day, Nov. 10th, will be devoted to the SHOPLIFTER, the CHECK CASHER, EMPLOYEE THEFTS, methods of pricing merchandise to protect against cheats, and how to train and observe your cashiers to protect against losses through refunds, exchanges, and deception by your own employees.

The charge for the two day seminar will be \$25.00, which will include lunch and coffee breaks. If only one day of the seminar is of interest, the charge will be \$15.00.

EDITORIAL

What Is A Newspaper

There will be no brass bands and parades to signify the event. But, October 10-16 has been designated as National Newspaper Week. This year, the theme of the week will be "Newspapers--Growing With America."

During National Newspaper Week, editors must be forgiven if they blow their own horns a bit. For one week, they can offer rebuttal to the cynics who spend the other 51 weeks disagreeing and finding fault with the news or editorial views of the local newspaper. There are thousands of these newspapers in this country, and they stand as a symbol of the independence of our citizens. Beyond that, they are the one and only regularly printed record of the daily events in the life of a community. A community without a newspaper is little more than a name on a map or a collection of dry statistics in the archives of some courthouse. Newspapers are the breath of life.

While we are reminded, during National Newspaper Week, that these newspapers are "Growing With America", it is well also to recall that growth without freedom would mean little--and that newspapers are, in the final analysis, the voices of free men.

Just what is a newspaper? This was the question posed by a recent editorial in the Owingsville (Ky) Bath County News-Outlook. Then the newspaper answered its own question:

"A newspaper is many things to many people," the editorial said.

"To some, it is a reality, a living textbook that records each passing day of world history; to others, it is escape--refuge of entertainment and relaxation after the day's chores.

"To the housewife, it is ideas for new menus and new clothes and sensible buying.

"To the mother, suggestions for raising the youngsters.

"To the teacher, a homework assignment on current events; to school-children, a notebook item.

"To the lonely diner, a companion; around the family supper table, a topic of conversation.

"To sports and theater lovers, who and what is playing, when and where.

"To athletes and actors, scrapbook material.

"To an unknown, it brings fame; to a well-known, it furthers his name.

"To a publicity seeker, it is a haven; to the publicity shy, a source of annoyance.

"To the seller, it means a quick response; to the

LET'S MAKE IT EASY

In this day and age, with many people aware of the increasing problem of littering, it seems to me there is a gap that needs to be filled.

I speak of the problem of disposing of old washing machines, dryers, dressers, mattresses, etc. Apparently many people have trouble finding the proper means of getting rid of these things—or they don't want to pay the price. They would rather litter a vacant lot or dump on some secluded side road at night.

B e a c h w o o d - Blunt subdivision at Petite Lake recently had a "Get Rid of Junk Day". Several large disposal units were located in a convenient, centrally located spot in the subdivision. They were filled to capacity on a Saturday afternoon and Sunday. If this was done regularly twice a year it might deter some of our citizens from dumping in some unlawful spot.

Since it would benefit all people in our area, it seems like a good idea to have a County truck available for disposal of large items—at no charge to the individual (possibly 1 day a month pickup) to discourage people from their bad dumping habits.

So—let's make it easy, not hard, to get rid of the large, discarded, household items and maybe the corners of our subdivision will look a little better.

Harold Gaston

League of Women Voters

The League of Women Voters of Lake County wishes to call attention to a very important piece of legislation awaiting action by the General Assembly when it convenes October 12th in Springfield.

We believe everyone will be interested in following HB 1800 and may wish to write Senators Coulson and Berning and Representatives Pierce, Lkeine, Lindberg, Connelly, Matjevich, and Murphy.

The League of Women Voters of Lake County strongly urges support of HB 1800 which provides for the

Beachwood-Blunt Subdivision Got Rid of This Junk.

establishment of a strong executive structure for counties such as ours.

A key amendment of this bill, now in the Senate, permits a county of not less than 300,000 population or more than 1,000,000 population to establish the county executive form of government by resolution of the county board.

The League position is that home rule counties need a strong executive in order to accomplish the objectives of home rule—innovative, competent, efficient management on a full-time basis with clear responsibility. It is our position that county boards wishing home rule should have the power to adopt it in conformance with this proposed law and should not have to hold a referendum. (The referendum method is available to the people by petition if they wish to have home rule or to discontinue it; so their interests are fully protected.)

We believe this law is required by the Constitution as it is the responsibility of the General Assembly to provide the legislation to implement

the broad outlines of the new local government article of that Constitution.

The county League currently is studying the structure of county government and while we have not arrived at a consensus yet as to whether or not we wish home rule in Lake County, we are most anxious to see this bill pass into law. We want the option this bill provides.

HB 1800 allows the League, or any citizen, or group of citizens to work for home rule if they decide it is good for their county and when they decide to do so. Without it, the people will be unable to opt for change.

buyers, many selections.

"To some, it brings good news; to others, sad tidings.

"To friends and neighbors, it tells about promotions, school achievements and who got married, who was born, who died.

"To the voter, it is guidance; to a politician, friend or foe.

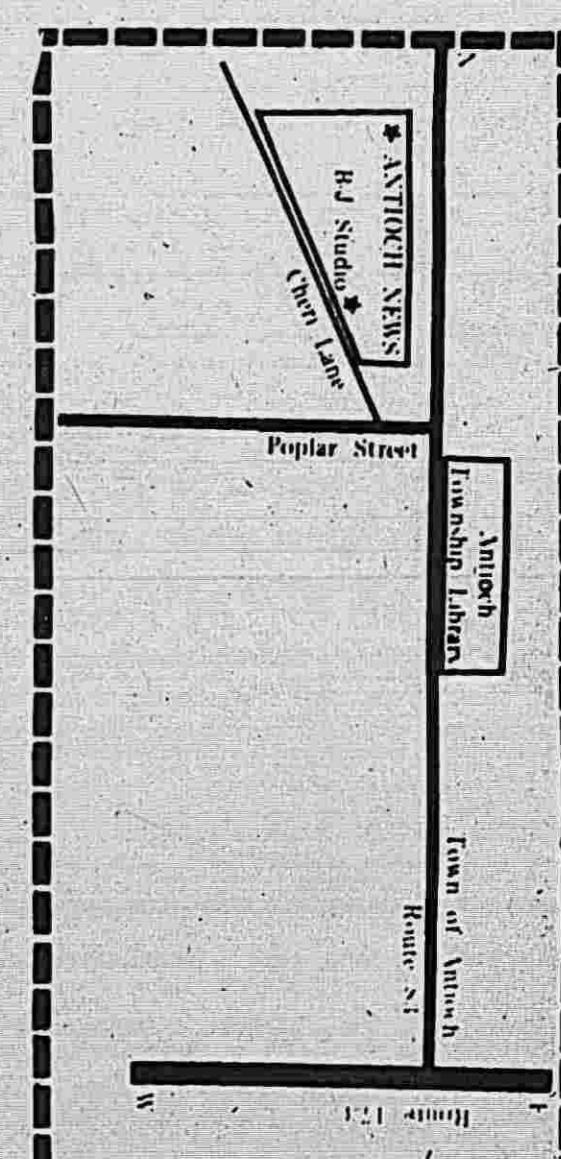

"To opinion searchers, it stimulates thought.

"To front porch sitters, it describes life beyond the horizon.

"To the immigrant, it is a schoolbook that helps him learn English; to hunters of truth, it translates the customs from which the immigrant fled.

"To the living, it is a source of freedom and hope; for the dead, a tribute to their virtues."

BSCS -Biology- Offers Students**All-round Course**

Team teaching may or may not be the answer to the problem of retaining quality education while reducing per pupil costs, but Antioch Community High School has been exploring the possibilities of this form of education for the past several years. The first team taught efforts were incorporated into the Social Studies program several years ago followed by a similar program for students in the Junior English program.

The newest team teaching program was recently added to the science program. Called BSCS Biology (Biological Sciences Curriculum Study), the new program was developed by a group of researchers and educators at the Univ. of Colorado Boulder, Colo. The original committee was charged with the task of developing a program which would allow the greatest utilization of the teacher's abilities along with the most advantageous use of the students' time. BSCS Biology was one of three programs developed.

The basis of the program is a teaching unit cycle of 8 days. Each teaching-study cycle centers on a particular subject aspect of biology and encompasses a variety of teaching techniques: large group lecture, small discussion or seminar groups, independent lab work, and independent resource study. Various members of the teaching team handle varying aspects of the teaching unit.

In a recent evaluation of BSCS Biology the following advantages were noted:

Due to the nature of the program, preparation must be extremely well organized resulting in a better taught unit, a more fulfilling experience for the student and a more gratifying result for the teacher.

Students are more actively involved and receive the best from each teacher involved in the team.

The day after day routine of the traditional classroom is broken, giving the students more freedom and more responsibility.

Students receive much more individualized help than they would normally receive in the classroom.

More material is covered.

The evaluation of the program also listed some disadvantages in the new program.

A one-hour teacher oriented lecture discussion is too long for many students.

Because of the large group involved, students lose the spontaneous question and answer involvement in the large group lecture sessions.

Any student who is not willing or too immature to participate can become hopelessly lost.

The official evaluation of the program concluded with, "It appears that the advantages far outweigh the disadvantages. The enthusiasm generated cannot help but have an extremely beneficial effect on our students, our department, and our school."

The final evaluation belongs to the persons most involved in the program, the students. The Antioch News asked three freshmen to evaluate BSCS Biology. Their responses lack

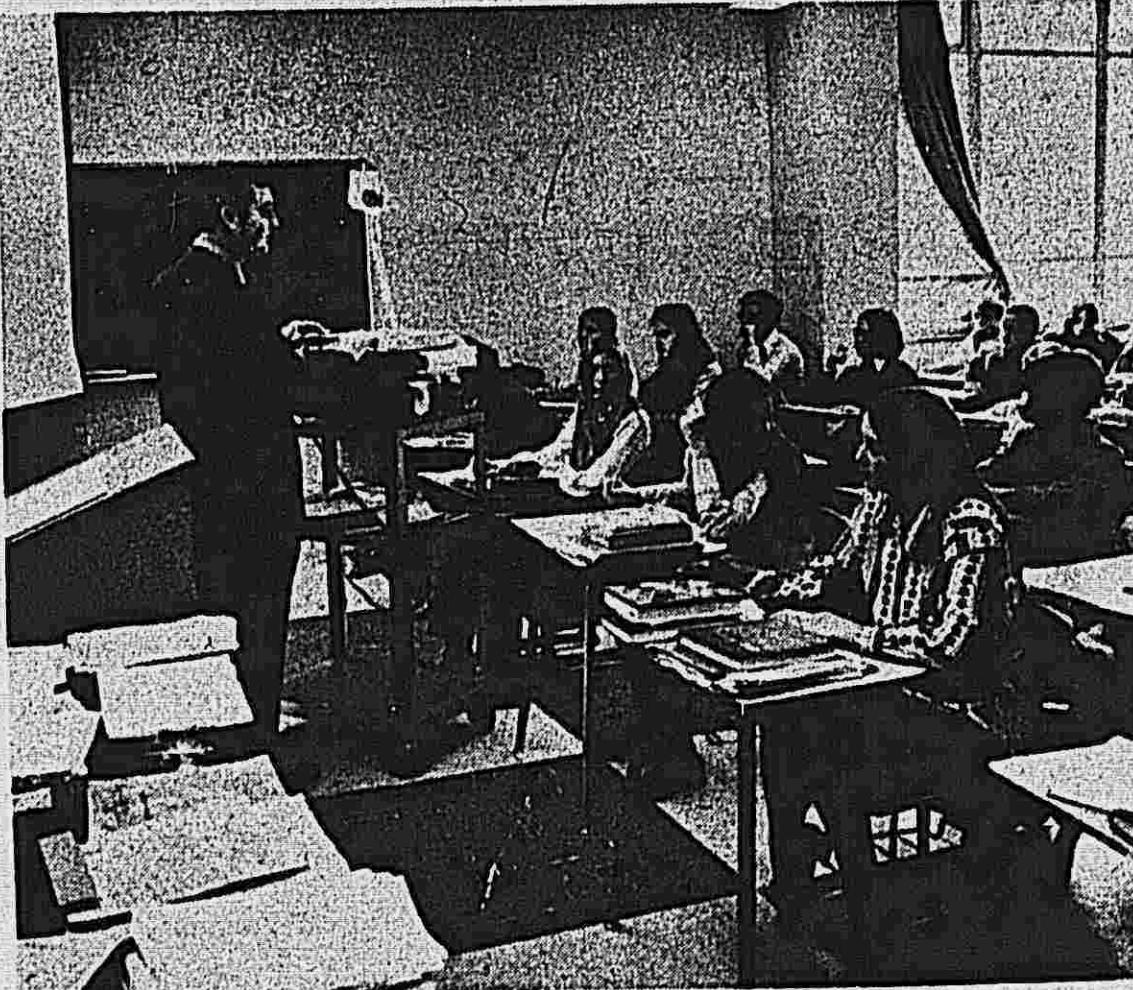

the educational jargon we normally associate with educational evaluation, but the message shines through:

WENDY SPRINGER, "The course is a lot more interesting than I thought it would be."

SUE JANSEN, "I've learned a lot more this way, and I like

the course." **JIM EDWARDS**, "It gives me a lot more time, a lot more interest and I'm not stuck with the same teacher all the time."

BSCS Biology is in its third year at the high school and in its first year as a team taught subject. It may not be the answer to all the problems of education but it certainly seems to be a step in the right direction.

Mr. Gil Krahm Conducting a Lecture for the Freshman and Sophomore Students in the New Team Teaching Biology Program at the High School.

"THE PRICE"
Begins
PM&L Season

Palette, Masque, and Lyre, Inc. launches Season 11 with **THE PRICE** by Arthur Miller and directed by Gerald Pettera opening on Saturday, October 16 and running October 22, 23, 29, and 30 at the PM&L Theatre, 877 Main St., Antioch. Curtain time is 8:30 p.m.

"**THE PRICE** is one of the most engrossing and entertaining plays that Arthur Miller has ever written." "It is a play that will give a great deal of pleasure to many people." "Miller holds the interest with the skill of a new born story teller." so said the critics when **THE PRICE** hit the Broadway scene.

PM&L audiences will have to decide for themselves who was the success and who was the fool in this story.

Victor Franz, played by NICK BALDASSANO from Lake Villa, is the younger brother. He is a policeman near retirement. He could have been a scientist but chose to stay with his father. Did he have to pay **The Price** of a scientific career when Walter walked out?

Walter Franz acted by DON BEVEROTH from Paddock Lake, Wis. is the older brother who is a successful surgeon. He walked out on the family to pursue his career as a doctor. Did misjudgements cause him to pay **The Price** for what he had done?

SHIRLEY KRAMER from Spring Grove plays Esther Franz. She is Victor's wife and is sick and tired of living in poverty. Did she pay **The Price** of a good life when she married Victor?

Gregory Solomon played by TOM HAUSMAN from Lake Villa is a 90 year old Russian Yiddish used furniture dealer.

Solomon provides the comedy to **THE PRICE**.

Season tickets are still available for \$7.50 which includes four worthwhile and entertaining plays. To order send a check with name and address and phone number to PM&L, Box 23, Antioch, Ill., 6002. General admission is \$2.25 with a special student rate of \$1.00. For reservations or further information call 395-9702.

(Right)Nick Baldassano as Victor and Tom Hausman as Solomon in a Rehearsal Scene from PM&L's Production of **The Price**, by Arthur Miller. This Show Opens PM&L's Season 11 on Sat. Oct. 16.

"BACK TO SCHOOL"
UPPER GRADE NIGHT"

SEQUOT SMOKE STACKS

The SCIENCE CLUB joined with SEA to take advantage of the nice long weekend by sponsoring a camp-out. About twenty brave souls pitched their tents in the wilds of a state park in Shanahan, Illinois. While there they visited the Peabody Coal Mine, but I hear they did not find much to bring home.

Also taking advantage of the

lengthened weekend was CHERI DALGAARD. She and a group of her friends drove to Iowa to visit a college that she is interested in attending.

Meanwhile, back at the ranch, our team got back on the winning track by whomping the Grayslake Rams 12-7. Nice work SEQUOTS! We hope that JIM REVELL is alright though. He got hurt during the game and had to be taken to the hospital.

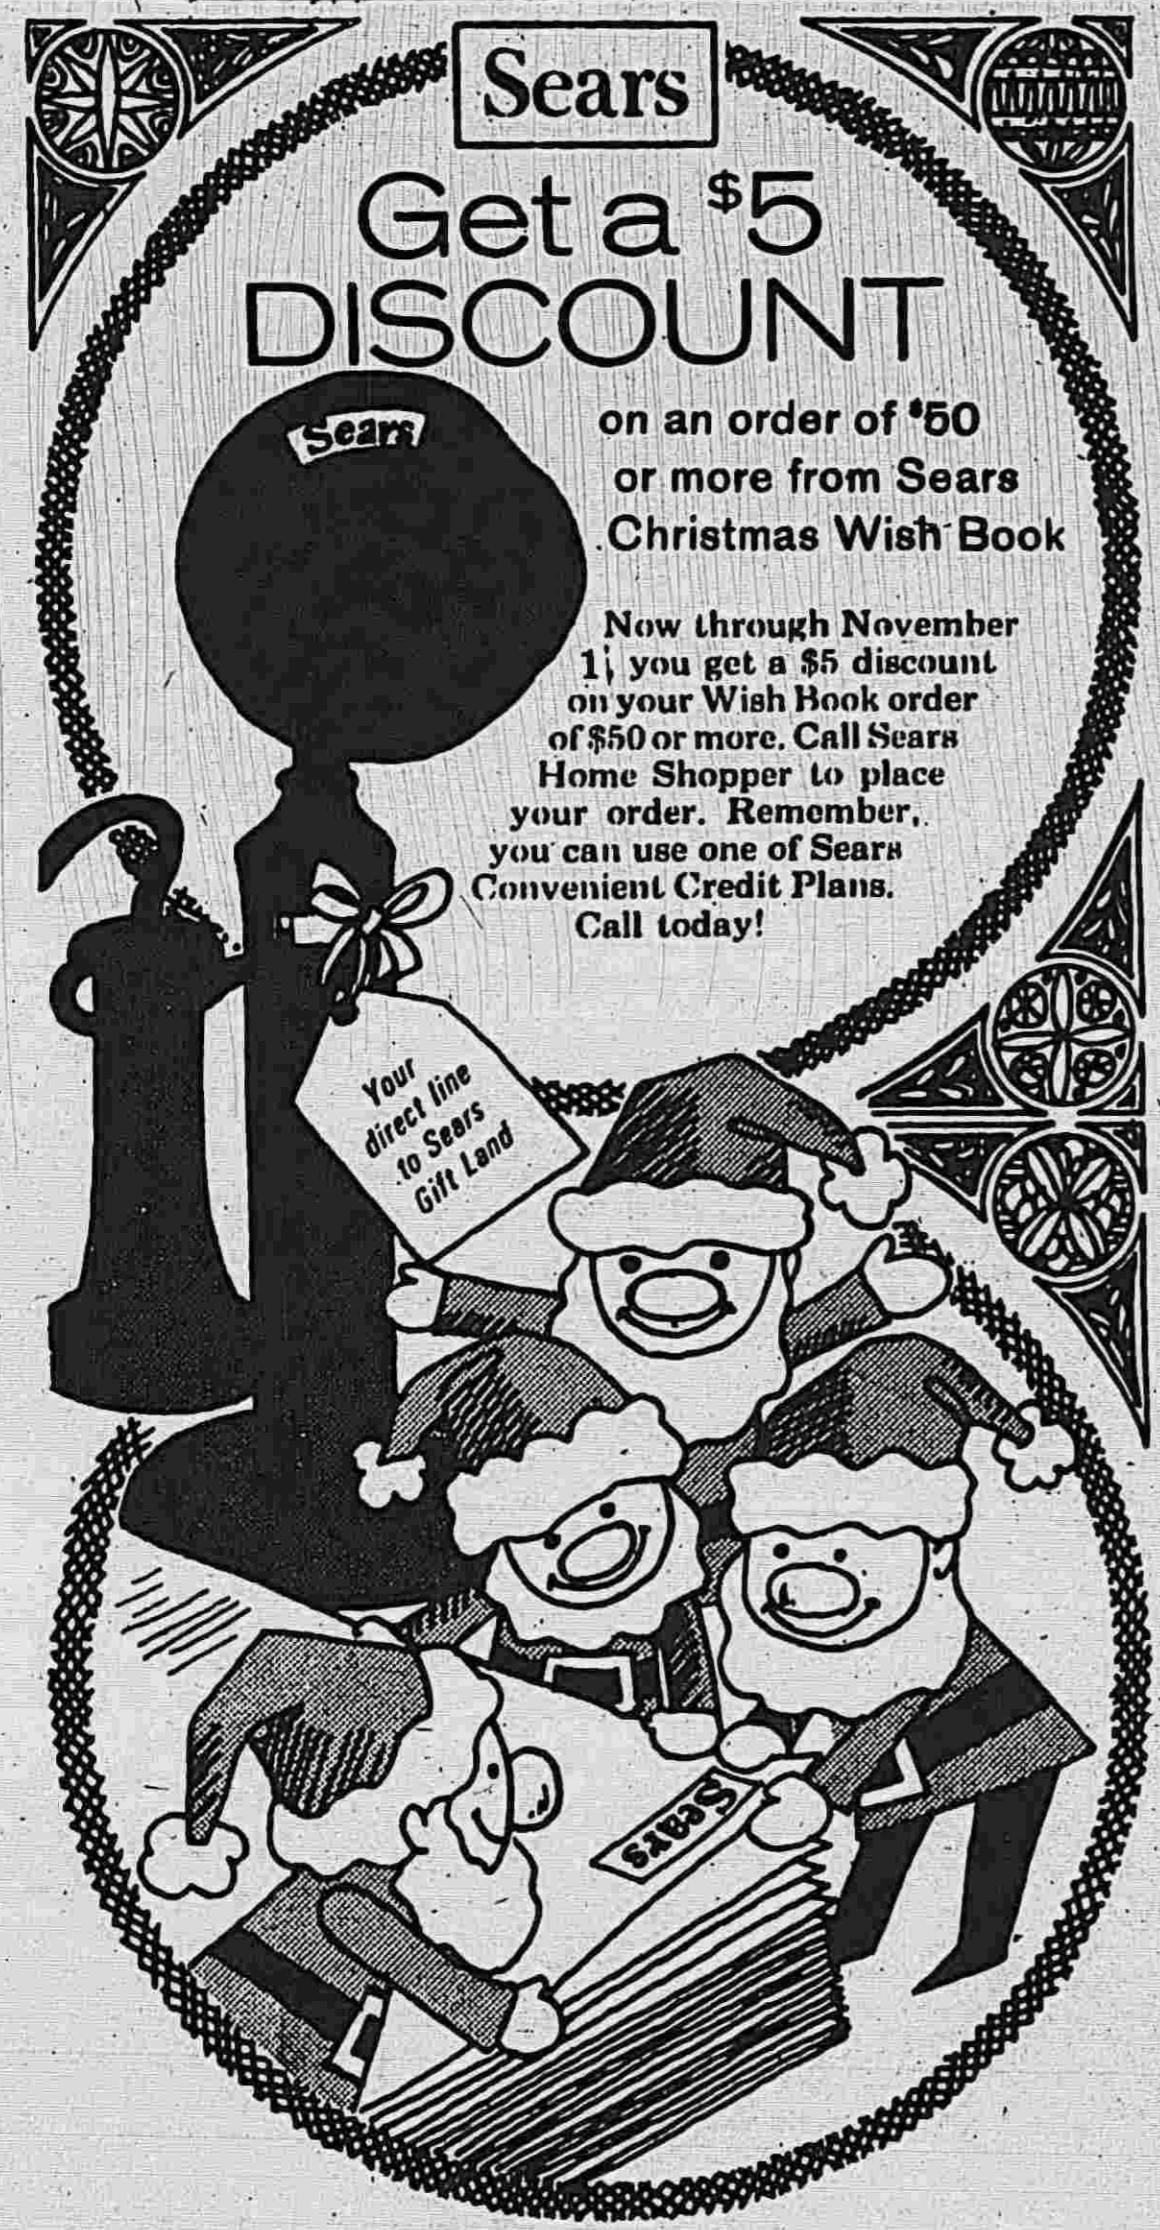

The word homecoming is on everyone's lips now, as preparations for the big weekend are well under way. All the clubs are busy trying to think up ideas for a car or float

and the elections for the homecoming court were held. JULIE ELLIS was elected to be freshman attendant; SHARON HALL, the sophomore attendant; ROBIN ELLIS, the junior attendant; and the Queen candidates are LINDA WHITNER, BARB SANDERS, and RANDI FRANKE.

This week has also been named as SPIRIT WEEK, a week in which each class has an opportunity to show their school spirit. Signs are put up in the halls, people come dressed up as Indians or spirits, and war hoops are carried on in the cafeteria. Points are given to the class that showed the most spirit on their day and these along with points for the class float determine which class has the best school spirit.

Don't forget to attend all the homecoming activities and help cheer our team on to a big victory. Bye!

ST. PETER'S TO HOLD DINNER DANCE

A meeting was held last Thursday evening in the Blue Room of St. Peter's School. The purpose of the meeting was to set up committee's for the Third Annual Dinner

Dance.

This year, the dance will be held on November 20th at St. Peter School. A time for the whole community to give thanks to God for all the benefits bestowed on our fine community, and at the same time, help support our school.

General chairman, Mr. Richard Daniel would like to invite any one interested in helping with the affair, to attend the next planning meeting, Thursday, Oct. 14, 8 p.m. in the Blue Room of St. Peter School.

Rescue Squad Offers First Aid Course

The Antioch Rescue Squad will sponsor the Red Cross approved Standard 1st Aid Course beginning Tuesday Oct. 19, at 7:30 p.m. at the Rescue Squad Bldg.

Following the Standard Course, if interest in an Advanced course is sufficient it will also be offered. Squad members feel that with the recent purchase of Rescue Baby and other teaching aids already previously used in their courses, that this years course should be better than ever. A special new feature of the Advanced course will be the addition of instruction in the recognition and treatment of Drugs.

For further information please call 395-2141 or any of the rescue squad members.

MENS - WOMENS - CHILDRENS OFFER EXPIRES OCT. 20th, 71

Along the Way with Annie Mae

It's that time of year again, you can feel the excitement in the air and in the halls of A.C.H.S. — HOMECOMING Sequoits get those Blue Devils of Warren, this Saturday, Twelve noon at the high school Athletic Field. Preceeding the game will be the parade at 10:30 a.m.

A good turn out of parents last Wednesday evening enjoyed visiting with their children's teachers, administration, and board members of Antioch High School. The new gym has to be considered the "bestest" in Lake County. Our students should be very proud. It was also announced at this meeting that the CHICAGO CUBS "basketball team" will be here, Nov. 11, Thursday evening at 7:30 p.m. to play the High School Faculty. Proceeds will go to the Athletic Club, and the PTA for equipment and scholarships. Keep this date open, and plan to attend....

Welcome home to JOHNNY MOSER recently returned from the service in Germany. Also to TONY LOMA, who has finished his tour of duty. (Did you see the large welcome sign on the front of Tony & Lil's?)

Happy Anniversary to BOB & LORRAINE LEMKE of Channel Lake, as they recently observed their 21th wedding anniversary...Also Happy Ann. to ERNA & GEORGE TRONZER of Rte 3, Antioch who will celebrate on Saturday.

Belated Happy Birthday to CARL AMUNDSEN 7 years old and TED WHITE 8 yrs old who celebrated with a party together on September 29th. This weekend was "slumber party weekend" for SUE AMUNDSEN who celebrated her 12th birthday on Friday Oct. 8th. CHARMAINE BYWELL also "slumber partied" her 10th birthday in on Friday the 8th.

Get well wishes to MRS SAM BAILEY, and MRS ESTER DUNWORTH...

The BILL CARNEY family just returned from a six day trip to McMurray, Penn. to visit Mary's cousin PAT & DAVID KRANINGER (she is the former Pat Kennedy, daughter of LORRAINE & DUDLEY).

Get well wishes to Jim Green who underwent back surgery.

Glad to hear DAVE & DON BEHREN'S were not seriously hurt on their Go Cart last Thursday evening....

PHYLLIS AND AL BUCAR are back from a 3½ day jaunt to Springfield where Dr. Bucar attended the Illinois Optometrist Association State Convention.

CHARLES & DOROTHY WERTZ are going the route all people should when their children are grown. They recently purchased a Winnabago and are going to be "on the go". They have taken a couple trips already. While up in Wisconsin they visited RUSS and JUDY STOWE and DAVE & DEBBIE. Also BETTY and CHUCK MEIERDIRK & family. Hear tell they have nice trails on their camping property. Its nice to "catch up" with old friends.

MR & MRS ARTHUR PRICE attended a farewell party at the BRUCE PRICES' home in Lake Villa. Arthur retired in May - sold their home in Antioch and are off for a leisurely trip to "parts unknown". Have a grand time and come back for a visit once in while.

Our condolences go to the WILLIAM BROOK FAMILY and MRS RIESS. Janet's father, Harry, of River Forest passed away on October 7. The funeral was on Oct. 9.

The FTA car wash was a success last Saturday. Even with many frozen fingers... They made about \$40.00 for their activity fund. Thanks to JIM & WADE'S PHILLIP 66 STATION for the facilities. Those active young people doing the "dirty work" were BOB BLANCHETTE, JEFF GOKEY, DEB REEDER, MARIANNE PLEVIAK, RENEE DESBIENS, DIANE HUEGE, DENISE PLOUVIEZ, SUE PLETT and KAREN KOSS.

Sure are enjoying all the newly black-topped roads in town.....

Congratulations to BEV & KEN MATTSON on the birth of a new son...

Congratulations to Fidele (Shoemaker on Victoria St.) and his wife on the birth of their new baby girl. Three sisters and one brother are eagerly awaiting her arrival home.

See you at the parade....

Annie Mae

COUPLE ARRESTED FOR ALLEGED SHOPLIFTING

June Johnston and Laura Giordano, both of Hazelwood Dr., Antioch, were arrested on Oct. 7, for alleged shoplifting at the Ben Franklin and Ace Hardware stores.

Both subjects were caught at the Ben Franklin by Mana-

ger Brad Dubas. Police Chief Davis and officer Zelinski investigated the case and made the arrests.

Both Miss Johnston and Miss Giordano are free on bail pending court action.

New Deductions

Mr. and Mrs. Micheal Adams are happy to announce the birth of their first baby on September 29, 1971. Pierette weighed 9lbs. 2oz.

Proud grandparents are Mr. and Mrs. L. Adams of Chicago.

A little blue bundle was delivered to Mr. and Mrs. Paul Hameau on September 29th. Todd Patrick weighed 6lbs and was 19 inches long. He was welcomed home by his two brothers, Tyler 1 and Brett 2.

Maternal grandparents are Mr. and Mrs. Wm. H. Nebel of Lake Villa and the paternal grandparents are Mr. and Mrs. Paul Hameau of Antioch.

Congratulations are in order for Mr. and Mrs. Wojnowiak who welcomed a baby boy born on September 29th also.

A little pink bundle arrived on Sunday, October 10th to Mr. & Mrs. Doetsch (Smiley's Tavern.) Congratulations!

Halloween Poster Contest

The Antioch Chamber of Commerce and The First National Bank are sponsoring the Annual Poster Contest for the area's 6th, 7th and 8th graders. The Theme is Halloween.

The use of any type of art material is acceptable on the poster paper that has been delivered to the Antioch Upper Grade School and St. Peter's School. The children are encouraged to be as individual and creative as their imaginations allow. The only rule of limitation is that THEY MUST NOT RECEIVE ANY OUTSIDE HELP!

The posters are to be returned to their respective school office on Wednesday, October 27th. Judging will be held on October 28th and

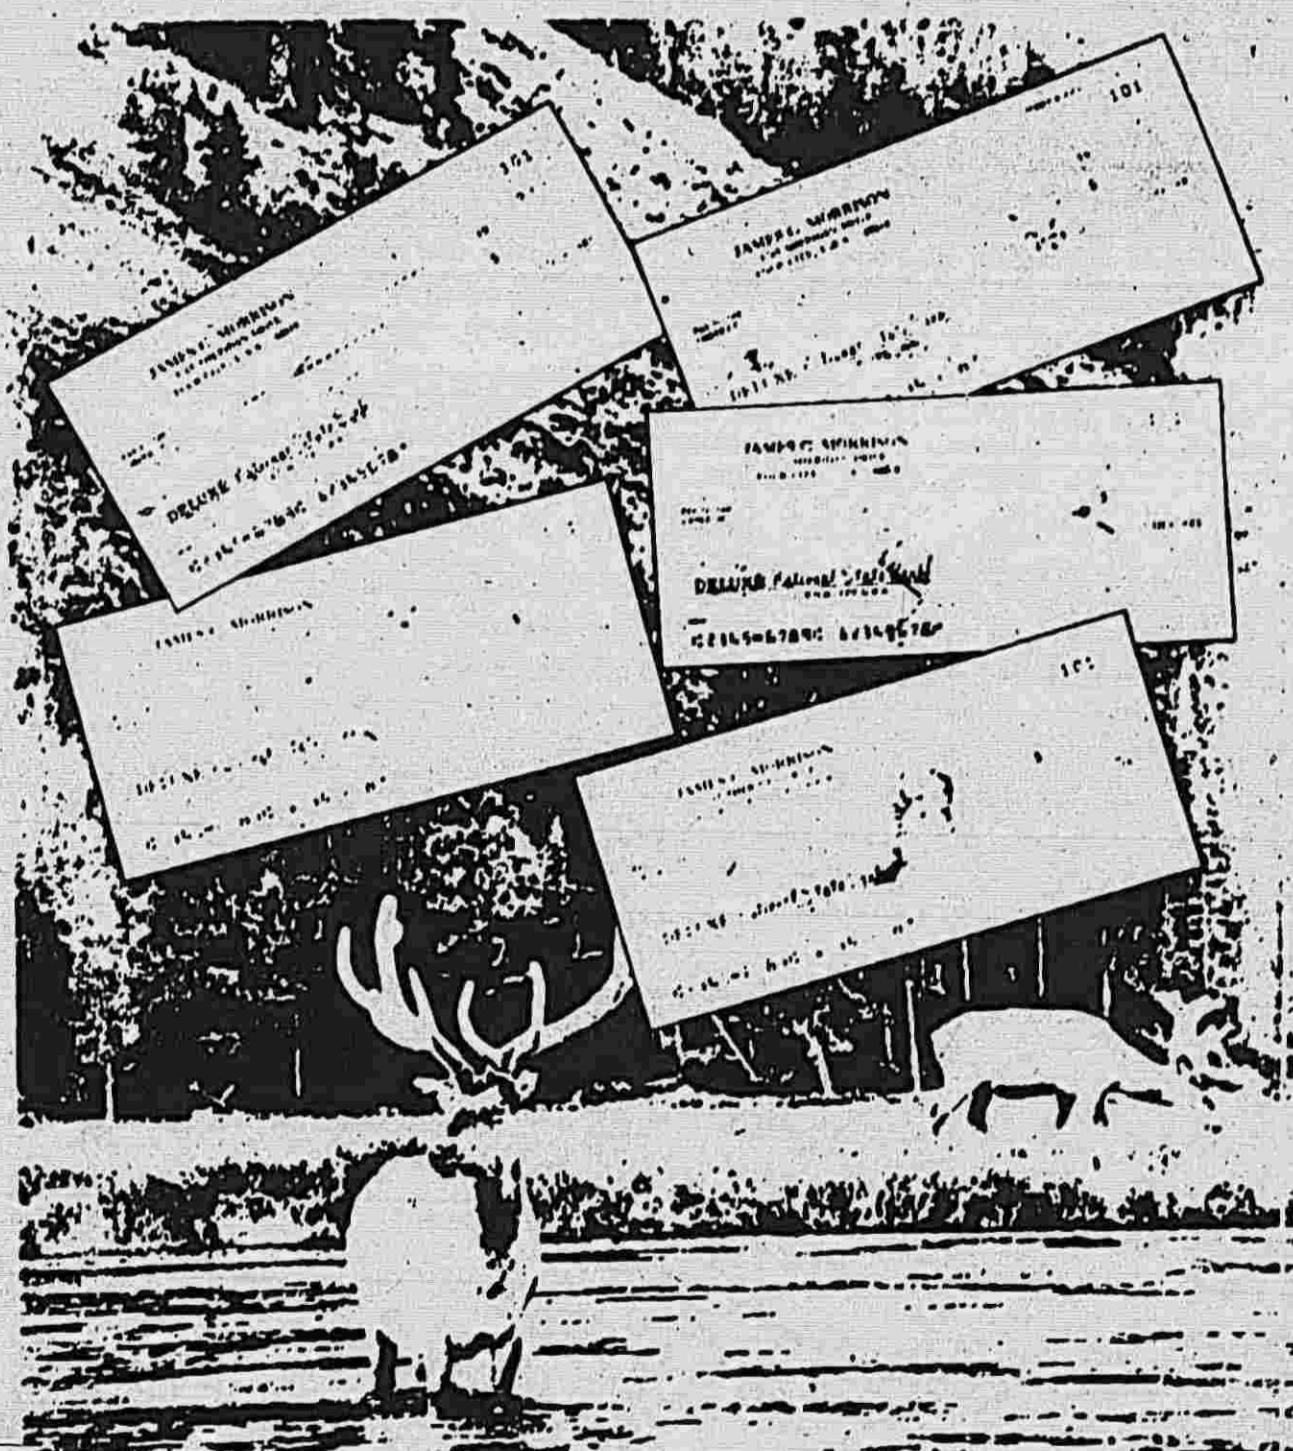

winners will be notified by telephone on October 29th. Prizes will be awarded at 10:00 a.m. on Saturday, October 30th at The First National Bank.

Prizes to be awarded are as follows: First Place - \$25.00 Savings Bond, compliments of The First National Bank; and cash awards from The Chamber of Commerce of Second Place - \$15.00, Third Place - \$10.00, Fourth Place - \$8.00, Fifth Place - \$5.00, and Sixth Place \$3.00.

Completed posters must have the name, address, telephone number and grade in school printed on the back. All posters submitted will be on display after the judging throughout the village.

National Wildlife Checks

**National
Wildlife Checks
to help in the
preservation of
endangered
animals
and birds.**

Who needs wildlife? Would its loss make any difference? For many of us, wildlife is pretty much removed from our lives, yet all animals, birds and fish require the same necessities as man—food, shelter, clean water, air and space to live. Americans throughout the country are joining in concern over our environment... and concern for the preservation of what was once an abundant wildlife.

This beautiful new series of checks features endangered wildlife species in the hope that awareness of their plight will result in hope for the remaining population and concern for all wildlife in America.

Fully personalized with name and address, Wildlife Checks featuring five endangered species all in full color are available now for use on your checking account. Stop in at the bank and order yours today!

All five checks are included in each check package, alternating and repeating.

PARTIPILO - SUTTON

Mary Beth Sutton, daughter of Mr. and Mrs. Geo. W. Sutton and Armand V. Partipilo, son of Mrs. Nicholas Partipilo were married in St. John's Catholic Church in Johnsburg, Illinois. Father John Cahill officiated at the 2 p.m. ceremony.

The bride wore an ivory marlaine jersey dress with a built in train, long sleeves and empire waist. Pearl braiding trimmed the bodice and long sleeved cuffs. Her head piece was a pearl camelot cap with a 9 foot, 4 tiered veil of heatcoat illusion.

Elizabeth Julian was maid of honor and Tommy Rogers was best man.

The bride attended Loop College and Loyola University in Chicago and the groom attended Lake Forest College, University of Chicago and the University of Paris.

A reception was held for 150 guests at the home of the groom.

After a short honeymoon the bride and groom will reside in Johnsburg.

SO-CI'E-TY

SOCIETIES (L. *societas*: fr. *socius*, a companion; cf. F. *societe*. See **SOCIAL**) the relationship of men associated in any way to one another; companionship; fellowship; connection; participation.

THOMPSON - SOLAR

Joanne Mary Solar, daughter of Dr. and Mrs. Charles Solar, became the bride of Michael A. Thompson in a double ring ceremony held at St. Peter's church on Sept. 18. The Rev. Father Alfred Henderson united them in marriage. Joanne's brother, Patrick and James Forster assisted on the alter.

The bride was adorned in a gown she made and designed herself. It was of ivory satin and lace with orange and brown velvet interlacing. Her veil was a three tier matching her gown. She carried a bouquet of white roses. Joanne's matron of honor was Mrs.

Keith Forth - the former Pat Lombardo. She looked beautiful in an orange gown with brown trimmings. Her bouquet was of orange and brown flowers. The handsome groom and his attendants - Mr. Charles Smith as best man and Michael Solar, an usher, wore brown tuxedoes.

A close friend of Mr. Thompson's Mr. James Royer sang the inspiring "Panis Angelicus". This was later followed by "For All We Know." He was accompanied at the organ by Mrs. Carl Pachay.

After the one o'clock ceremony a reception was held at the Angel's Restaurant. The young honeymooners are now at home in their apartment in Grayslake.

WESLEY CIRCLE MEETS

Wesley Evening Circle of the Antioch Methodist Church will meet on Thursday evening at 8:00 p.m. at the home of Jane Pederson on Hook Circle.

A representative from Country Side Hospital will be present to discuss the planned hospital and answer any questions.

ANTIOCH WOMAN'S CLUB BEGINS SEASON

The Antioch Woman's Club held its' season - opening luncheon on Monday October 4, at Oagle Thomsen's in Kenosha. After a brief business meeting, the large group enjoyed the fashion show presented by Lepps of Kenosha.

Betty Mentone was in charge of the style show and models were - Betty, Pat Lorenz, Irene Hahn, Delores Abderholden, Caroline Costoff

and Kay Costoff. All new fall fashions were shown with many unusual and exotic styles in the middy length.

The next regular meeting of the Antioch Woman's Club will be held at the Scout House on October 18, at 1:00 o'clock. A book review by Mrs. W. C. Petty and a talk on pollution by Mr. Wm. Seeman will provide an interesting program.

All members are urged to attend.

CADO - CHANDLER

The Rev. Stephen Chandler conducted the wedding ceremony when his sister, Debora Jane Chandler, was married to Erwin E. Cado, Jr. in the Antioch Methodist Church. The Rev. Donald Cobb assisted at the Sept. 18 service.

The bride, daughter of Mr. and Mrs. E. H. Chandler of Antioch, wore an heirloom self-embroidered linen gown which also had been worn by her brothers' brides.

The bridegroom, son of the senior Erwin E. Cado of Northbrook was attended by

his brother, Kenneth E. Cado and his sisters, Catherine and Karen Cado, were maid of honor and bridesmaids respectively. Ushers were Dr. Michael and David Chandler, brothers of the bride.

The reception was held in the church parlor.

The newlyweds are making their home in Wilmette.

The former Miss Chandler is a Junior at Northwestern University, Evanston. Her husband, a graduate of Southern Illinois University, Carbondale, is assistant manager of a Glenview plastics plant.

The Iron Kettle at Wilmot Mountain

If you remember with fondness the time when the village tavern was a place where you and the wife went to enjoy an evening of simple pleasures among friends, then a place you should get to know is THE IRON KETTLE. Located in the midst of the Wilmot Ski Hills south of Wilmot, Wisconsin, on Wilmot Road, THE IRON KETTLE specializes in a wide variety of good food prepared under the supervising motto "Everything the best we can make it."

The name of the restaurant came about when farm buildings were being cleared to make way for the new building. According to Joan Stopa, Manager, an old iron kettle was found in the midst of the debris and the Stopa family took it as a good omen. Visitors to the ski hills will see the kettle hanging in front of the restaurant.

Although the restaurant was originally built to serve the skiers who mob the hills during the winter THE IRON KETTLE is a year round operation. In fact, local people represent the bulk of their patrons during all seasons.

On Friday and Saturday night the Wilmot Rogues, Mike, Tom and LeRoy, reign supreme. When a group of entertainers obviously loves what they're doing it is hard not to cooperate—and the audience participation in the Sing Along is always a tremendous success.

In fact, the friendliness of everyone at THE IRON KETTLE, the waitresses, the bartenders, the hostess, is truly infectious. You are made to feel that everyone is honestly and sincerely happy that you're there and that they really care!

Our Growing Neighbors

"Exceptional Homes in an Exceptional Community," reads an advertising brochure put out by N. H. Engle and Sons, Inc., developers of Lindenhurst.

Lindenhurst is an exceptional community. For many of the people who established their homes there when the area was first subdivided in 1953, it is a surprising community. By the late fall of 1956, Lindenhurst had outgrown its subdivision status, incorporated as a village and continued to grow sprawlily across the countryside East of Lake Villa. For many of the original homeowners, Lindenhurst had represented escape: escape from high taxes, urban problems, the crowding and congestion of the city. Now, Lindenhurst has developed its own problems as a surging social-community conscience emerged with the development of Lindenhurst's latest subdivision—Seven Hills.

Seven Hills crowns the Northern limits of the Village of Lindenhurst like a new dia-

mond tiara on an aging dowager. The original Lindenhurst had all the problems associated with a new development: poor roads, inadequate septic systems and a decided lack of community feeling. In 1968, when Seven Hills was established, the village was 12 years old and had come a long way: roads had been improved, a sewage treatment plant had been installed and a feeling of community was strong, Lindenhurst no longer felt itself to be an intruding subdivision of Lake Villa.

Seven Hills was born mature. Except for a brief period during its early adolescence, Seven Hills sprang from the rolling hillsides with beautiful winding roads, curbing, underground utilities, and a feeling of community which comes with being a part of something already well established.

Seven Hills is a community of exquisite homes...homes with full basements, attached

Continued

garages, massive living rooms, sprawling family rooms... Architectural styles seen more in home magazines than in actual developments...beamed ceilings, woodburning fireplaces, panoramic picture windows and a view of almost seven miles of wooded shoreline.

Seven Hills is also a community of exquisite people... people who seem to have a vital interest in all that goes on around them....people who enter into the activities of their community...people who want a voice in their schools, their community....and people who know how to get the job done.

Prior to the last election for members of the Village Board of Lindenhurst a group calling itself the Community Action Party was formed. Made up primarily of residents who live in Seven Hills, the organization managed to elect three trustees to the board and a Village Clerk; established and currently distributes a newsletter called THE LINDENHURST NEWS to keep citizens informed; provided three members who were appointed to the Village Planning Commission.

Current priorities for the relatively young organization are directed toward the Village Planning Commission and work toward a village master plan, zoning ordinances, and the establishment of recreational facilities. The Community Action Party under the direction of Tim Mally, Temporary Chairman and Larry Fears, Editor of the LINDENHURST NEWSLETTER, is a typical example of the awareness and involvement which has come to Lindenhurst with the establishment of Seven Hills.

Patterson Makes Dean's List

Rodney D. Patterson, Rte 3, Antioch made the Deans' List for the summer term at the Southern Illinois University in Carbondale.

The citations for academic achievement go to students who compile a quarterly grade average of 4.25 or better on SIU's 5.0 scale.

More than 11,200 students attended SIU at Carbondale during the summer quarter which ended Sept. 3. Approximately three-fourths were undergraduates.

U of I Holds Annual Dads' Day

John E. Corbally, Jr., new president of the University of Illinois, will speak Saturday (Oct. 9) at the U. of I. Dads Association annual Dad's Day meeting on the Urbana-Champaign campus.

The meeting at 10 a.m. in the Illini Union is open to all parents. Chancellor J.W. Peltason of the U. of I. at Urbana-Champaign will introduce the president.

Peltason will welcome parents Friday night at the annual Dad's Day Dinner sponsored by the Dads Association. Hugh M. Satterlee, dean of students, will speak at the dinner.

The Saturday morning meeting and the Illinois-Ohio State football game that afternoon will be the highlights of Dad's Day on the campus

where this collegiate observance originated in 1920.

Ira R. Bean, Streator, is president of the Dads Association, whose year-around activities will be discussed Friday (Oct. 8) afternoon at a meeting of its county chairmen, the association's grass-roots representatives from over the state.

Among the county chairmen are: Melville C. Knirsch, Rte 1, Antioch and James C. Moore, Lake Villa.

Kerry Daugherty, Streator, is chairman of the Illini Union Student Activities committee which has planned weekend entertainment for the dads as honored guests.

Among the activities will be selection of one father as "King Dad" representing all fathers. He will be announced Friday at the Dads Association county chairmen meeting and crowned Saturday at half-time of the football game.

KAREN KNUTSON GRANTED LEADERSHIP AWARD

Karen Knutson, daughter of Mr. Orville T. Knutson, Antioch, Ill., and Mrs. LaVerne Knutson, Wildwood, Ill., has been granted a \$300 Lutheran Youth Leadership award by Lutheran Brotherhood, Minneapolis based fraternal insurance society. Karen is enrolled for study at Dana College, Blair, Neb.

The award is one of more than 150 youth leadership awards of \$300 each to 1971 high school graduates enrolling in Lutheran colleges. Lutheran Brotherhood presented the leadership awards as part of its extensive support of Lutheran higher education in the United States and Canada. The recipients are selected on the basis of leadership in school and church activities and financial need.

Woodrow Pl Langhaug, president of the society, said that in addition to the 150 youth leadership awards Lutheran Brotherhood this

HOMETOWN NEWS

Cadet Tremonte

Cadet Michael F. Tremonte, son of Mr. and Mrs. Peter A. Tremonte of Rte 1, Salem, Wis., is one of more than 940 cadets who have entered their junior year at the U.S. Air Force Academy.

As he began his third year at the academy, the cadet was named to the Commandant's list for his outstanding military performance. He wears a silver wreath insignia recognizing the

honor accorded him by the academy commandant of cadets.

Cadet Tremonte will serve during the fall term as a squadron training sergeant with the rank of cadet technical sergeant. He was selected for the position because of his leadership abilities and effectiveness ratings.

During the past summer, the cadet completed three weeks of special duty at Upper Heyford RAF Station,

England, in Operation "Third Lieutenant," a program which provides cadets an opportunity to perform as junior officers.

Cadet Tremonte also was a survival training instructor for sophomore cadets in the rugged Rampart Range area surrounding the academy.

The cadet will be commissioned a second lieutenant and receive his B.S. degree upon graduation in June 1973.

Sgt. Wells

With U.S. Combat Air Forces, Vietnam U.S. Air Force Sergeant James R. Wells, son of Mrs. Emilia H. Wells, 416 Orchard St., Antioch, Ill., is on duty at Tan Son Nhut AB, Vietnam.

Sergeant Wells, a communications wiring specialist, is in a unit of the Pacific Air Forces. He previously served at Chanute AFB, Ill.

The sergeant is a 1968 graduate of Antioch Community High School.

Airman Hollocker Graduates

Airman First Class Charles P. Hollocker, son of Mr. and Mrs. Peter Hollocker of 1621 Grand Avenue, Lake Villa, Illinois has graduated at Keesler AFB, Miss., from the U. S. Air Force radio equipment repairman course.

The airman, who was trained to install and repair special radio equipment, is being assigned to Shaw AFB, S.C., for duty with a unit of the Tactical Air Command.

Airman Hollocker, a 1969 graduate of Antioch Community High School attended the University of Illinois. His wife, Peggy, is the daughter of Mr. and Mrs. William Siler of East Green Street, Urbana, Illinois.

Pflueger Named To List

Cadet Daniel W. Pflueger, son of Mr. and Mrs. Charles J. Pflueger, Rte 1, Salem, Wis., is one of more than 750 cadets who have entered their senior year at the U. S. Air Force Academy.

As he began his fourth year at the academy, Cadet Pflueger was named to the Commandant's List for his outstanding military performance. He wears a silver wreath insignia recognizing the honor accorded him by the academy commandant of cadets.

Cadet Pflueger will serve during the fall term as a squadron flight commander with the rank of cadet captain. He was selected for the position because of his demonstrated leadership abilities and effectiveness ratings.

During the past summer, Cadet Pflueger was among upperclassmen who served as senior staff officers for the rigorous basic training program for members of the academy's incoming freshman class. He was chosen for the special duty because of his leadership and teaching abilities. The training is designed to prepare basic cadets for entry into the cadet wing.

Upon graduation from the academy next June, he will be commissioned a second lieutenant and receive his B.S. degree.

American Legion Auxiliary News

"Help Shape our Schools for the Seventies" is the slogan of the American Legion Auxiliary's Educational Scholarships and Auxiliary Loan program.

State President Mrs. Firman Hendricks of Cerro Gordo, has been a high school teacher for a number of years, and her special project this year is the stressing and expansion of this scholarship program.

The 51st observance of National Education Week in America is from October 24th-30th points out Mrs. Henry Heinsohn, Lake Zurich, District Auxiliary Loan, Education and Scholarship Chairman. "It is jointly sponsored by the National Education Association, the National American Legion, the National Congress of Parents and Teachers, and the United States Office of Education" she said.

National American Education Week is an annual event designed to focus public attention on the needs and achievements of the nation's schools. It serves to increase public understanding and appreciation of the schools, encourages parents to visit their children's schools at least once a year, secures civic and community support for measures to improve the schools, and helps students gain an appreciation for the benefits they receive.

Mrs. Heinsohn reminds the 22 Units of the 10th District Auxiliary to send in their contributions to the Illinois American Legion Auxiliary Loan, Education and Scholarships fund. She emphasized the fact that there are two sections to this program. There is the Auxiliary Loan fund where eligible high school graduates may obtain loans to further their education. In the other section, there are many scholarships available through the American Legion Auxiliary Scholarship program. A Unit cannot sponsor a qualified graduate for either a loan or a scholarship unless they have donated to both funds.

According to Mrs. Edward Jahnke, Antioch, who was 2nd Division Auxiliary Loan Chairman last year, there are three types of scholarships available to daughters of deceased veterans. Ten National President's Scholarships of \$1,500.00 each (two given to each of the five national divisions); and ten Illinois Opportunity Scholarships of \$600.00 and \$350.00 each. Scholarships are given on the basis of financial need, scholastic ability and good character qualifications.

Scholarships of \$200.00 each are given to daughters of living veterans of World Wars I and II, the Korean and Vietnam Conflicts. At the 1971 state convention ten such scholarships were given.

Also, there are scholarships for veterans of World War II, the Korean and Vietnam conflicts who are accredited high school graduates and need financial assistance to finish their education.

"NEED A LIFT?", a national publication of the American Legion, is purchased by nearly all Units, to place in high schools, libraries and to be given interested eligible students. This brochure, compiled by the national American Legion, with the

assistance of over 200 national organizations, is revised annually and released when school starts each fall. It is estimated that the contents of "NEED A LIFT?" could lead students to sources of scholarships, loans and part-time jobs to assist them in the forthcoming year in excess of three billion dollars.

Worthy students wishing more information should contact either Mrs. Heinsohn or Mrs. Lillian Hand, Antioch Unit Auxiliary Loan, Education and Scholarship Chairman.

Mrs. Hand reports that the Antioch American Legion Auxiliary No. 748 contributes annually to both sections of this program, and is thus able to sponsor an eligible graduate. The Antioch Unit also purchases new copies of NEED A LIFT? each year, distributing them in the

Antioch Community High School Library, and the Antioch Township Library. They are also available to interested students.

Moose Hosts Libra Party

Mr. Micheal Tulumello sponsored a get together with 102 people present at the Antioch Moose Lodge on Saturday, October 9th in honor of those who had birthdays and anniversaries in the Libra month.

Twenty-two members of the Antioch, Elgin and Chicago Moose Lodges were honored. Among them were: Mr. and Mrs. Harrison Brown, Mr. Morrie Bown, Mr. and Mrs. C.J. Young, Mr. and Mrs. Clem Cybul, Mr. Jeff Gokey and Mother and Father, Mrs. Donna Butterfield, Miss Debbie Reeder, our local heroine of Antioch area, Mr. and Mrs. James Winn of Ingleside, Mrs. Jeannette Tulumello, of Antioch, Mr. and Mrs. Dan Hanley, Mundelein, with Robert and Marlene of Elgin Lodge, Mr. and Mrs. D. Erdman, Mr. and Mrs. R. Bentke, Mr. and Mrs. Krueger, all of Round Lake Heights, Mr.

and Mrs. C. Nelson of Fox Lake and Mr. and Mrs. Calvin Beickle of Zion.

Honorable mention to Mr. and Mrs. H. Grewia on their upcoming feather party.

A "Sing-a-long" provided the main entertainment with Emily Novotny of the Lodge at the piano.

A special birthday and anniversary cake was made in honor of the occasion. Individual cakes were presented to the Libra people. Special entertainment in honor of each of the guests was provided. Much hidden talent among the members and in the community was uncovered. Towards the close of the evening a Pot Luck Supper was enjoyed by all those in the lodge. It was hoped by all that many more such events will be held in the future so as to help people get acquainted.

Lee Muire of Antioch was also honored for his talents at the billiard table.

Obituaries

CHARLIE E. MYERS JR. 33 years old of 608 Belmora St., Lake Villa, Ill., passed away suddenly Oct. 7 from injuries received in an automobile accident near Effingham, Ill. He was born July 19, 1938 in Wheatcroft, Kentucky and had lived in Calif. and Antioch, Ill., before moving to Lake Villa, Ill., 2 years ago. He worked as an inspector at Anchor Coupling at Libertyville, Ill., for over 3 yrs. He was a member of the Calvary Baptist Church, Antioch and was the treasurer of the church and secretary of the Sunday School.

He was preceded in death by 1 daughter Sheila Kaye Myers on Feb. 28, 1970. Survivors are his wife Julie (Nee Gilbert) 2 daughters; Janet and Marie (at home) 1 son; Charlie E. III (at home) his parents; Charlie E. and Stella Myers (Sheatcroft, Ky.) 2 sisters; Mrs. Donald (Janice) Harris (Sullivan, Ky.) Mrs. Buddy (Carol) Estes of Oklahoma.

Funeral Services were held Monday Oct 11 at 1:00 p.m. at the Calvary Baptist Church, Antioch, with the Pastor Herschel Benton officiating. Interment taken place in Home Oak Cemetery, near Antioch.

EDWARD H. WESSENDORF, 77 yrs old of 10507 S. Whipple St., Chicago, Ill. passed away suddenly Friday Oct. 8 at 3:30 A.M. at his summer home in Selters Subd., from injuries received when his summer home burned. Funeral Services were held Monday Oct. 11 in Chicago. Interment

was in St. Mary's Cemetery, Evergreen Park, Ill. Local arrangements were handled by the Strang Funeral Home, Antioch.

KEVIN G. LARSEN - 12 years old of 2118 Old Elm Street, Lindenhurst, Ill. passed away on Saturday October 9th at 10:30 p.m. in Children's Memorial Hospital in Chicago after a long illness. He was born June 11, 1959 in Berwyn, Ill. and had resided in Hinsdale and Brookfield, Ill. before moving to Lindenhurst 4 yrs. ago. He had attended the B. J. Hooper Grade School at Lindenhurst and the Lake Villa Intermediate Grade School in Lake Villa where he was in the 6th grade. He attended St. Mark Lutheran Church in Lindenhurst.

Survivors are his parents Helmer P. & Ann Larsen (Lindenhurst)-1 sister Laura & 3 brothers Keith, Randy & Danny Larsen (all at home)-his maternal grandparents Bohumil & Ann Polacek (Westfield, Wis.)-& his paternal grandparents Elmer & Bertha Larsen (St. Petersburg, Florida).

Funeral services will be held at 2:00 P.M. Wed. at St. Mark Lutheran Church-Lindenhurst. Rev. Harold Nelson of St. Marks Lutheran Church will officiate. Interment will be in Warren Cemetery.

Christian Science Churches

Like the Halloween mask that hides one's face, sin obscures one's true identity.

This aspect of the nature of sin will be brought out at Christian Science church services Sunday in a Bible Lesson-Sermon entitled "Everlasting Punishment."

From Science and Health with Key to the Scriptures by Mary Baker Eddy, this citation will be read: "The likeness of God we lose sight of through sin, which beclouds the spiritual sense of Truth; and we realize this likeness only when we subdue sin and prove man's heritage, the liberty of the sons of God."

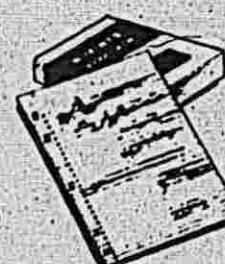

"But now being made free from sin, and become servants to God, ye have your fruit unto holiness, and the end everlasting life," a Bible selection states.

Services begin at 11 A.M. at First Church of Christ, Scientist, Beacon Hill, Rte 173 and Harden, Antioch. All are welcome.

ST. PETER'S SCHOOL OF RELIGION

BEGINS OCTOBER 16, 1971

Registration for St. Peter's School of Religion took place on Saturday morning, October 2nd. Classes will begin on Saturday, October 16th at 9:30 a.m. in the school. A schedule of classes for the remainder of the year will be distributed on the first day of class. Parents who did not register are asked to do so between 8:30 and 9:30 a.m. in the school office on the first day of class.

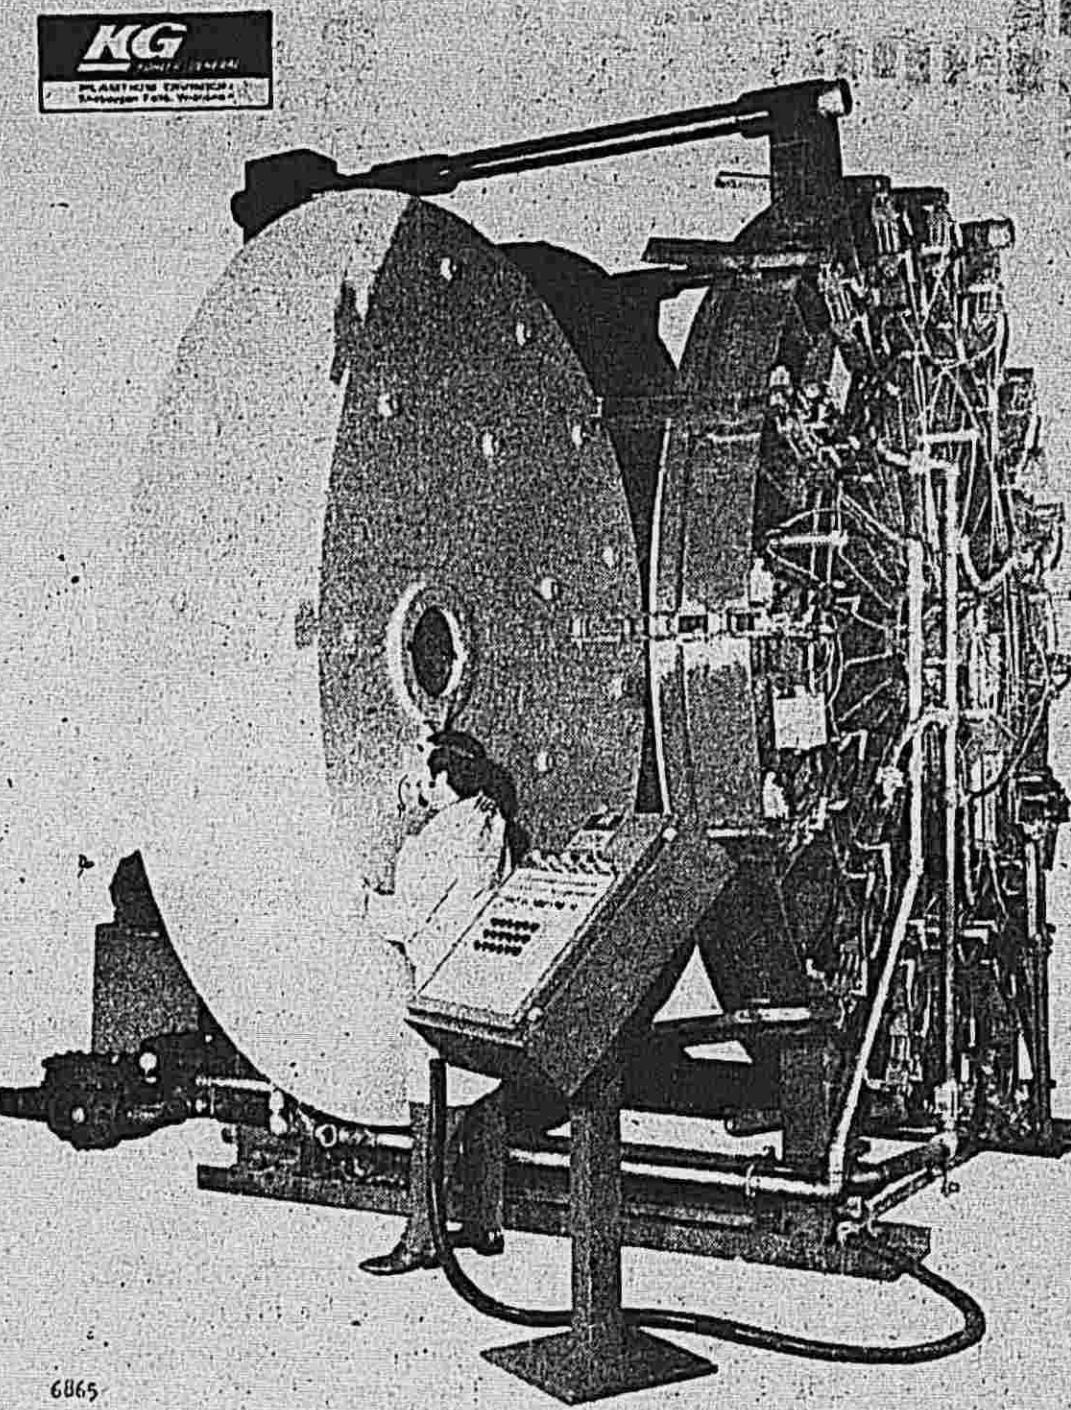

Carmel High To Test Sophomore

On Tuesday, October 19, Carmel High School for Boys will administer the NATIONAL EDUCATIONAL DEVELOPMENT TESTS, a testing program that helps professional educators, parents, and students plan together for the educational and vocational future of the students. The test is required of all sophomores at Carmel.

Rev. Fergus Lickteig, Principal, says that the NEDT Program is being used because it will give the school the type of information it needs to help the students make realistic decisions. "The NEDT will help us to help the student plan wisely for his future education and for his future career. It is a sound investment in sound planning."

"The program will reveal how well the students can apply the skills they have acquired since entering school. It will help us recognize the strengths in each student's educational development and, at the same time, will pinpoint weaknesses. This information will enable us to know how we can help a particular student while he is still in school, and will guide us in improving our program so that other youngsters can be helped earlier in their education."

"Since every cent invested in education should be spent effectively and efficiently, the administration is interested in choosing devices that bring the best results. The fact that thousands of schools throughout the nation have used the NEDT Program-and have continued its use year after year-attests to its effectiveness."

World's largest expandable polystyrene surface molding press recently installed in Antioch's Expanda-Foam, Inc., plant. The press will mold 11' diameter EPS discs to be used in sewage treatment facilities.

World's Largest

A proved-in-practice process capable of doubling the capacities of most secondary treatment organic waste disposal plants is now available for installation.

Developed by Environmental Pollution Control, Inc., Oconomowoc, Wisconsin, the process is known scientifically as the Rotating Biological Surface Process (RBS). It will soon be installed in a newly designed waste treatment plant with a capacity for treating 3½ million gallons per day for a midwest beef processing company.

The RBS process works on the rotating disc principle - a number of discs mounted on a power driven shaft - with each disc half submerged and revolving through the waste material. The specially treated discs, made from lightweight expandable polystyrene foam, cause biological growth called a bio mass, which is composed of bacteria which literally consume harmful bacteria in the organic waste material. It effects the same results as those obtained in current secondary treatment operations but at a much faster rate.

Since many municipal waste treatment facilities throughout

the nation are operating at and over capacity and must now conform to increasingly rigid waste disposal standards, the RBS process will have immediate impact. It can be installed in existing secondary treatment plants within a matter of weeks.

The process was first tested under varying conditions using 4' discs. Data has been taken at the National Sanitation Foundation (NSF) in Ann Arbor, Michigan, and in addition various government agencies have inspected the process and have expressed enthusiasm.

The midwest beef facility will use more than 3400 of the expandable polystyrene foam discs in its new plant. Each disc is 11 feet in diameter and will be produced by Expanda-Foam, Inc., at its plant in Antioch, Illinois. The discs are molded in the world's largest EPS surface molding press, designed and manufactured by Kohler General of Sheboygan, Wisconsin.

The rigid inspection requirements established by Environmental Pollution Control, Inc., call for outside storage of the discs prior to inspection and shipment. The Expanda-Foam Company has made provisions for the storage area on its grounds at Depot Street and Anita Avenue in Antioch.

"We are extremely proud that our company was chosen by the Environmental Pollution Control people to mold these discs," said Ev Oftedahl, Expanda-Foam's president. He added, "We're especially pleased that our efforts will contribute to the national campaign to minimize pollution, and this RBS process will go a long way in relieving the restraints which have been placed on treatment plants throughout the country."

ROOSEVELT UNIVERSITY AWARDS DEGREES

Undergraduate and graduate degrees were awarded to approximately 331 students by Roosevelt University at the close of Roosevelt's summer session, it was announced by Charles Simmons, associate dean of admissions and records.

Of the total, approximately 208 were bachelor's degrees and 123 were master's degrees.

Students receiving degrees were honored at a special reception on Thursday, Sept. 16, in the University's new Herman Crown Center. Those students receiving degrees from this area were: Carlton E. Abbs, Wildwood Illinois a MA; David H. Booth, Lake Villa Illinois a MA; Donald R Bradley, Wadsworth Illinois a MA and O. Gregory Johnson, Lake Villa Illinois a MA.

MARY WIECZOREK

Miss Mary Cecelia Wieczorek, daughter of Mrs. Esther Wieczorek of Rte 3, Antioch, has been accepted as a freshman at Elmhurst College, and was one of the 350 students participating in Freshman Orientation Week.

During the five-day orientation period, the new students became acquainted with campus life, completed the necessary enrollment procedures; met with the

faculty advisors and student leaders for discussions; toured Chicago and Elmhurst areas and participated in a variety of recreational and social activities.

Located 16 miles west of Chicago in Elmhurst, the four year private, liberal arts college confers the Bachelor of Arts degree in 27 major areas of study. Beginning its second century of service in higher education, the 101-year old college has approximately 1,700 day session students and 1,100 evening school students.

CARE FOR YOUR LAWN MOWER

Regular use of your rotary lawn mower can convert fallen tree leaves to valuable mulch for your lawn. The rotary mower easily grinds the leaves into fine particles that will become part of the organic matter on top of the soil.

If you've fertilized your lawn regularly, the fertilizer will help soil organisms and earthworms quickly reduce the pulverized leaves to humus, explains Lake County Extension Adviser Ray T. Nicholas.

He warns that frequent use of the mower to pulverize the leaves is essential. Don't let the leaves completely cover the grass and pile up into a two or three leaf layer. The resulting shading harms the grass while you wait for the last leaves to drop. Moreover, wet leaves do not "grind" well and often are missed by the mower. And the wet leaves may kill the grass beneath them.

Johnson Motor Employees First To Match \$100,000 Grant To Allendale

Johnson Motors employees have contributed more than \$5,000 to Allendale since they began donating through the Combined Appeal Plan in 1963. An earlier contribution of \$750 was made on June 21 at a regular allocation meeting. Edward J. Rowley, Director of Allendale, has announced that the Board of Trustees of Allendale took action Saturday to match the grant and raise the additional \$69,500 by December 31, 1971. "Groundbreaking is expected to take place in early spring," he said.

Created by Otis Associates, Architects of Northbrook, the design features of the new residence portray strength, shelter and warmth in its internal features. Its internal structure divides the 12 boy population into four two bed units and four single rooms which the planners hope will create a sense of belonging while making supervision an easier task.

Two staff apartments are also incorporated in the residence, with outside entrances for regular and substitute house parents giving a greater degree of privacy for both staff and boys.

An "isolation room" has been created in the design at the request of the psychiatric and clinical staff. The room will be used for temporary quiet control, a tool, which Allendale staff will have for the first time.

Unlike existing cottages, the

new unit includes a recreation area just beneath the living area.

George Swope, President of the Allendale Board says, "The design has actually resulted from caseworkers, cottage parents, and other professional staff at Allendale, who have been serving boys for 74 years. This building design will be used to replace many of the existing cottages, half of which are more than 50 years old. It will also serve as prototype for other child care agencies serving emotionally disturbed children."

Joseph L. Rayniak, a member of the Allendale Board of Trustees said, "The employees' decision is to be interpreted as a vote of confidence in the fine work Allendale has been doing over the past 74 years.

A \$2,500 grant has been donated by Johnson Motors Employees to the Allendale School for Boys, the first funds received to match a \$100,000, out of state, grant for a new boys residence.

The decision was made in mid-September, when the allocations committee of the Johnson Motors Employee Combined Appeal Plan met. Two weeks earlier, eight members of the committee visited Allendale. At this time, it was learned that the Bush Foundation of St. Paul, Minnesota had just awarded the \$100,000 grant.

The BOOK Shelf

THE RA EXPEDITIONS by Thor Heyerdahl. The account of the author's latest voyage - by papyrus boat from Africa and the American continent - in the company of six other men of varying cultural backgrounds.

Grass Lake School Board Adopts 71-72 Budget

Action was taken by the Grass Lake School Board to adopt the 1971-72 budget after the public hearing. Expenditures in the Education fund are anticipated to be \$220,000 with about \$183,000 revenue to come in. Supt. William Hart reported three major influences affected the expenditures growth. An increase in total student population and class size increases; increased material expenditures and costs, and additional personnel. Hart reported that plans regarding the proposed building have been progressing very well. The building program has been prepared thru public meetings, meetings with PTA officers, architects, teachers and board members.

A PTA pot luck dinner will be held on Monday, October 18, 1971 at the Grass Lake School beginning at 6:30 p.m. Total building plans and discussions will be held with a panel made up of Lawrence

Yopp, board president, William Gomoll and Michael Sutter of Sutter-Gomoll Associates, the schools architects and William Hart, Supt.

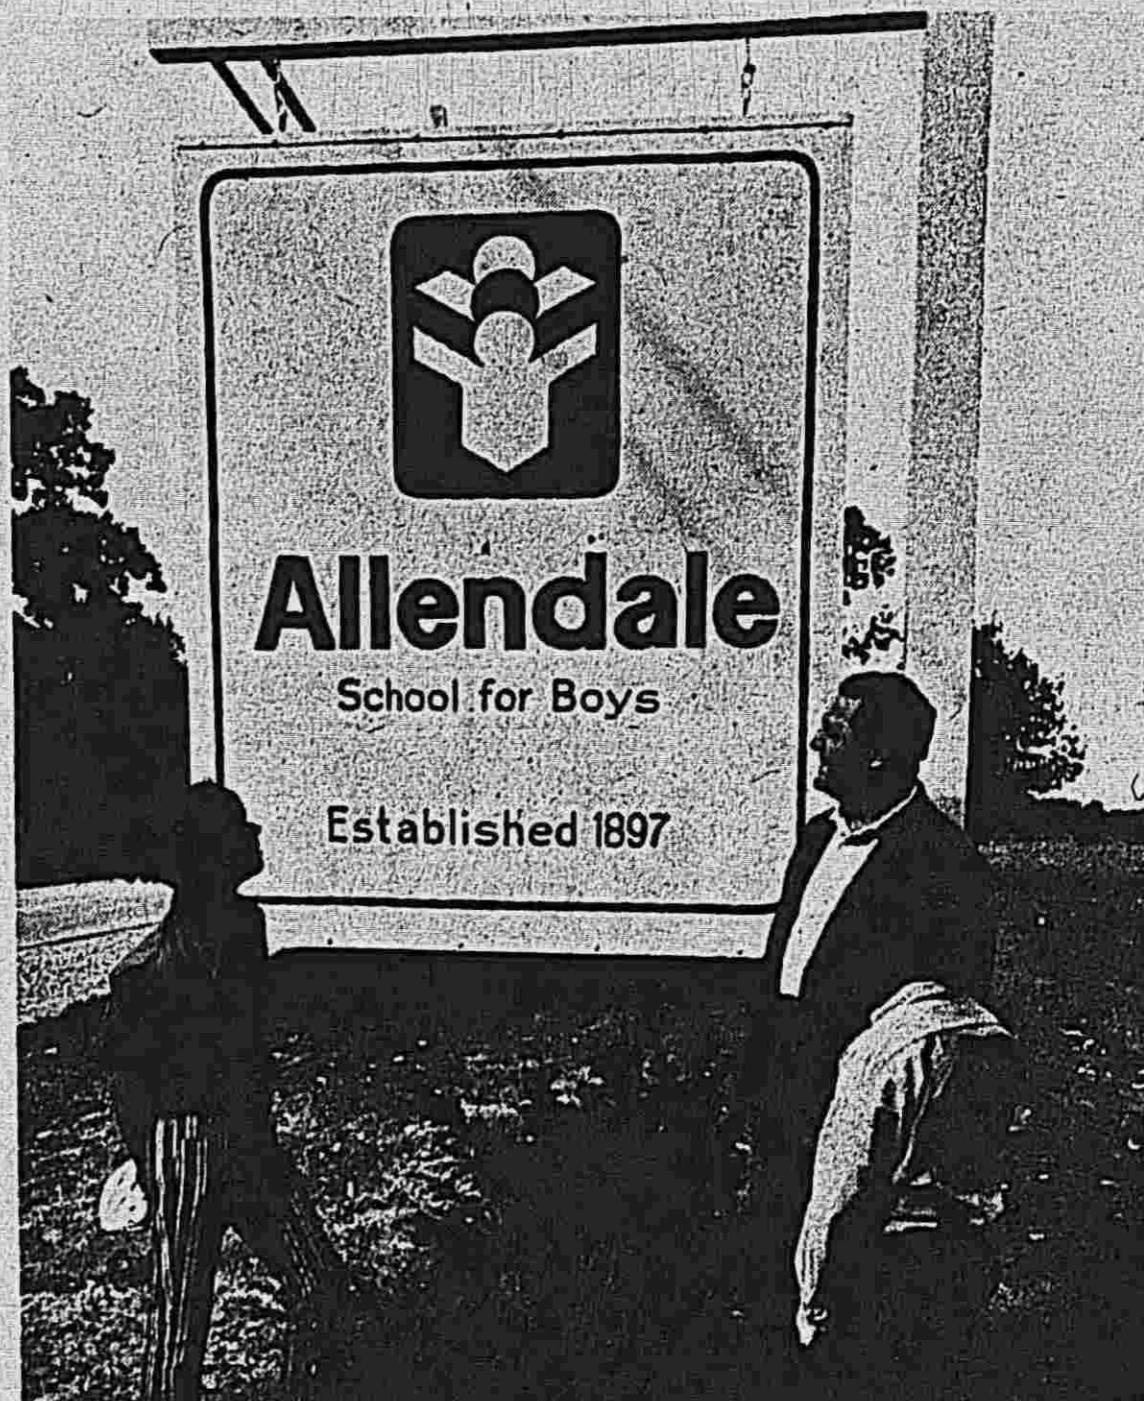

FIRE IS FATAL TO SUMMER RESIDENT

Edward Wessendorf, 79, was killed in the early morning hours last Friday, Oct. 8, in a fire that damaged his two-story summer home on Spring Lake Road South of Antioch.

Fire Chief Charles Maplethorpe discovered the body of the victim in a second floor bedroom. Maplethorpe said Wessendorf apparently missed the door to the bedroom in trying to escape the fire. The victim apparently died of smoke inhalation.

The fire, reported by an unidentified neighbor, was brought under control about 20 minutes after arrival of firemen. The blaze apparently started on the first floor in a couch and burned through to the second floor. "It had a good start when we arrived," said Maplethorpe.

Neighbors reported that Mr. Wessendorf lived in Chicago with his daughter and only used the home on Spring Lake Road on weekends.

New Logotype Becomes Trademark For Allendale

As Allendale School for Boys enters its 75th year of service to emotionally troubled boys, it will be represented by a new logotype or institutional trademark.

"In light of the professionalization of our staff and the sophistication of our Board of Trustees and various constituencies, we wanted to graphically portray the character of Allendale," said Edward Rowley, Executive Director. "The new mark is the key element in a total identity program, which will be carried through in all stationery, brochures, and campus signage."

Several design criteria were presented to Michael Reid of Michael Reid Design, Chicago: the mark had to be irreducible, that is, applicable as small as a tie-tack or as large as an outdoor sign; reproducible in black and white or embossing; contemporary, and most important - indicative of the community of boys and staff.

"After two visits to Allendale, I felt that the mark should reflect the rapport

between the boys, staff, and house parents and also the progression of the boy through Allendale to his return to a normal life," said Reid.

As a component of the identity program, the external publication has been redesigned and named Focus on Allendale to provide interpretive stories on the process of care and treatment which allows the individual boy to become a productive member of society.

Now, you can make your Porch or Breezeway a warm, liveable room all winter!

IT'S EASY - IT'S INEXPENSIVE!

Why store summer furniture - protect it from the elements - enclose your porch or breezeway with Flex-O-Glass. See your dealer for the amount you need, then just cut with scissors and tack (or staple) over your screens. For only a few dollars you now have a room you can use all winter long.

Boy -
"Hey" point that camera someplace else - my hairs not combed.

Channel Lake Chatter

DAVID & DON BEHRENS are home from the hospital after a go-kart automobile accident on Lake Ave, and Catalpa Road. The boys are fine and very lucky to have sustained only minor injuries in something that could have been very serious. After talking to several parents, I know of a few items that have been scratched off some Christmas lists.

MARY JO & MIKE ZEIN & VIRGE & GENE RUDOLPH spent a long weekend at the John Runyard cabin in northern Wisconsin. They spent their mini vacation fishing and enjoying a time away from the kids. When they got home there were two sets of grandparents ready for a vacation, the babysitters namely being MR & MRS ELMER RUDOLPH & MR & MRS TOM RUNYARD.

DAN & LINDA RUNYARD and children ANDY, PAMELA & BRENDA spent the weekend breaking in their brand new camper at their favorite campsite in Wisconsin. Linda said the new camper sure beats the tent.

The Antioch Upper Grade School will be holding a Back to School Nite for all the parents on Tuesday, October 19 at 8 p.m. Hope to see you

all there.

FRED & JAN FRITAG, RICH & KATHY ROGERS & JEFF GUTOWSKI and MIKE HARLAND attended the Rifles-Chiefs game in Mundelein last Saturday night. The Rifles won that game 14 to 7.

This reporter along with husband JOE and dad LOU PORTALSKI journeyed to Kankakee Illinois for an Appreciation Dinner Dance at the Kankakee Valley Boat Club. Kankakee is the site of the annual Labor Day weekend of boat racing for the Chain O Lakes Boat Club and this is their way of thanking all members who worked so hard to put on a very successful two day event.

JIMMY GUTOWSKI, DICK WHITTON, BILL HARLAND, BOB & RON GOSSMAN, RICHARD RODGERS, KEN PULLEN, GARY BAILEY, PAUL MAPLETHORPE, PAT HOUGHTON, JIM & GEORGE PIERCE, CHUCK BAKER along with Scout Master DICK HARLAND and volunteer

driver BOB GOSSMAN went on the Amaquonissippi Campout over the weekend. The main part of this campout was the 18 mile hike the boys participated in along with several other Illinois Boy Scout Troops. The boys returned home late Saturday nite with very tired feet and a large desire to hit their beds, to the point that they didn't even think of their stomachs first.

Let me know the news.

LOUISE

THE RIFLES of L.C.

The Lake County Rifles eked by the Manitowoc Chiefs 14-7 Saturday night at home to move into a first place tie in the southern division of the Central States Football League.

"It was a poorly played game, but a win's a win," said Head Coach Jerry Sandberg after the victory. "Everyone in the League tends to take Manitowoc too lightly, and fails to get 'up' enough for the game."

But the Rifles were able to show a more balanced offensive attack with 144 yards rushing and 171 yards in the air. Standing out for the Rifle

offense were Karl Maio and Bill Potter.

Maio ran 80 yards in ten carries, one of which was a 34 yard touchdown. Potter totaled 4 receptions in the evening for 100 yards.

Johnny Dobbs, the Rifle quarterback, also had some respectable totals behind his name in the passing category with 12 completions out of 18 attempts for a net 171 yards and one interception deep in Manitowoc territory.

The Rifle defense had one new addition in the person of Robert Bruce Smith, a University of Colorado extract who was cut from the Philadelphia Eagles training camp. Smith substituted in the linebacking position and had a fair night on his first Rifle game.

Rifle linebacker Tony Bertuca had his fifth interception of the season in

the second quarter when he picked off Buck Paopao's pass on the Manitowoc 44 yard line.

Manitowoc moved the ball well, but always seemed to lose possession one way or another once they were deep in Rifle territory, excluding the one time they managed to come up with a score.

The Rifle defense once again put in a good performance allowing 200 total yards, and forcing the Chiefs to punt 9 times during the game.

The Rifles have two remaining league games, both of which are away. This Saturday they'll be pitted against Racine in a contest that is scheduled to begin at 7:30 P.M. The final game finds the Rifles playing the Delavan Red Devils with whom they presently share the first place berth in the southern division.

FIGHTING SCOTS

RIP LAWRENCE

41 TO 0

Monmouth and Lawrence met in Monmouth for what was supposed to be a close game as the two undefeated teams in the Midwest Conference met to decide who would remain undefeated and be in first place. The close game never turned out that way, as the Scots were in command from the opening kickoff and scored a 41 to 0 victory over the visiting Vikings from Appleton, Wisconsin.

Offensive standouts against Lawrence, according to a sports release from Monmouth included Karl Jennrich of Lake Villa and Greg Drije of Antioch. Both young men turned in outstanding performances in the offensive line.

This was the first time that the Monmouth Scots have had three straight shutouts since they started playing a complete conference schedule back in 1954. This coming weekend the Scots will be going for number four when they meet the Carls of Carleton College in Northfield, Minn.

WILMOT ADDS

TWO CHAIRLIFTS

Two chairlifts and a large lodge addition are the major improvements at Wilmot Mountain this season.

One of the new lifts is a Rilett three place lift, the other a Hall two place. Much of the north end of the ski area has been recontoured and increased in elevation by a third, creating a new peak. Three major runs work their way down from there. As yet unnamed, one run is for novices, the second for intermediates, and the third for experts.

Before the start of the three year hill construction project, this area had been served by several short rope tows. These have been removed. Dips have been filled and ridges removed in such a way as to preserve and improve upon interesting existing terrain features.

The snow machine serving this part of the area has been revised and enlarged. New lights for night skiing have been added.

The new development will add lift capacity and variety of skiing. It is also expected to greatly increase the flexibility and efficiency of the snow-making operation and free more slopes for skiing during snowmaking nights.

The addition to the main lodge will be the new home of the Wilmot Mountain Shop. It was built in the same rough stone and wooden beam chalet tradition as the near-by Iron Kettle restaurant.

Taylor Wins 4th Place In Rugged Country

Ron Taylor, operator of The Tot Shop in Antioch, placed fourth in a field of 30 riders during the Moto Cross races at Valparaiso, Ind., last Sunday. Ron, riding in the 250 cc class, placed 2nd in two motos and 10th in the third for an over all 4th.

The Indiana track is a rough course with 12 jumps spread over its 1½ mile length, with one of the jumps measuring 15 feet tall.

Only two Illinoisans appeared in the winners circle from the total field of 108 riders. Ron's achievement was even more spectacular in light of the fact that he was the only

racer entered without a racing bike and found himself generally outpowered by 10 horses or more.

The races were sponsored by the 7-11 Competition Club of Valparaiso.

TUESDAY NIGHT GOLF LEAGUE WILL HOLD BANQUET

The TUESDAY NIGHT GOLF LEAGUE has scheduled its banquet for Saturday, October 23, at Lorenz's Smart Country House.

As in the past, the ladies are cordially invited.

Cocktails and Hors d'oeuvres start at 6:30 p.m. and dinner will be served at 7:30 p.m. The awarding of twophies will be followed by dancing.

Mihovilovich Elected

"A" Club President

The first meeting of the "A" Club was held on September 30. The officers elected for the year were President - Jim Mihovilovich; Vice-president - Ken Sterbenz; and Sec-Treas - Tim Mieure.

The club selected the following girls for the Sequoia Queen court: Sherri Crawford, Lynn Hall, Joan Walker, Kathy Walpole and Sheila White.

The PTA and the "A" Club are sponsoring a benefit basketball game on November 11 at 7:30 P.M. The game will be a contest between the CHICAGO CUBS and Antioch Faculty. Working on the committee for "A" Club are Bob Bevar, Ken Tell, Dave Donica, and Fred Popp.

The purpose of the "A" Club is to promote sportsmanship, interest in athletics and provide a service

to the total school program. All varsity letterwinners are entitled to membership in the club. The faculty sponsor is Roger Andrews.

HAMMOND ORGAN SOCIETY MEETS

Lake County Hammond Organ Society will be entertained on Tuesday, October 19, by Lillian Gildenstern, popular Wisconsin supperclub and radio artist. The program will be held at the Gurnee American Legion Hall at 7:30 p.m. Plans for an organ students program and a Christmas party will be announced. Refreshments will be served and the public is invited to attend.

FARMERS INSURANCE

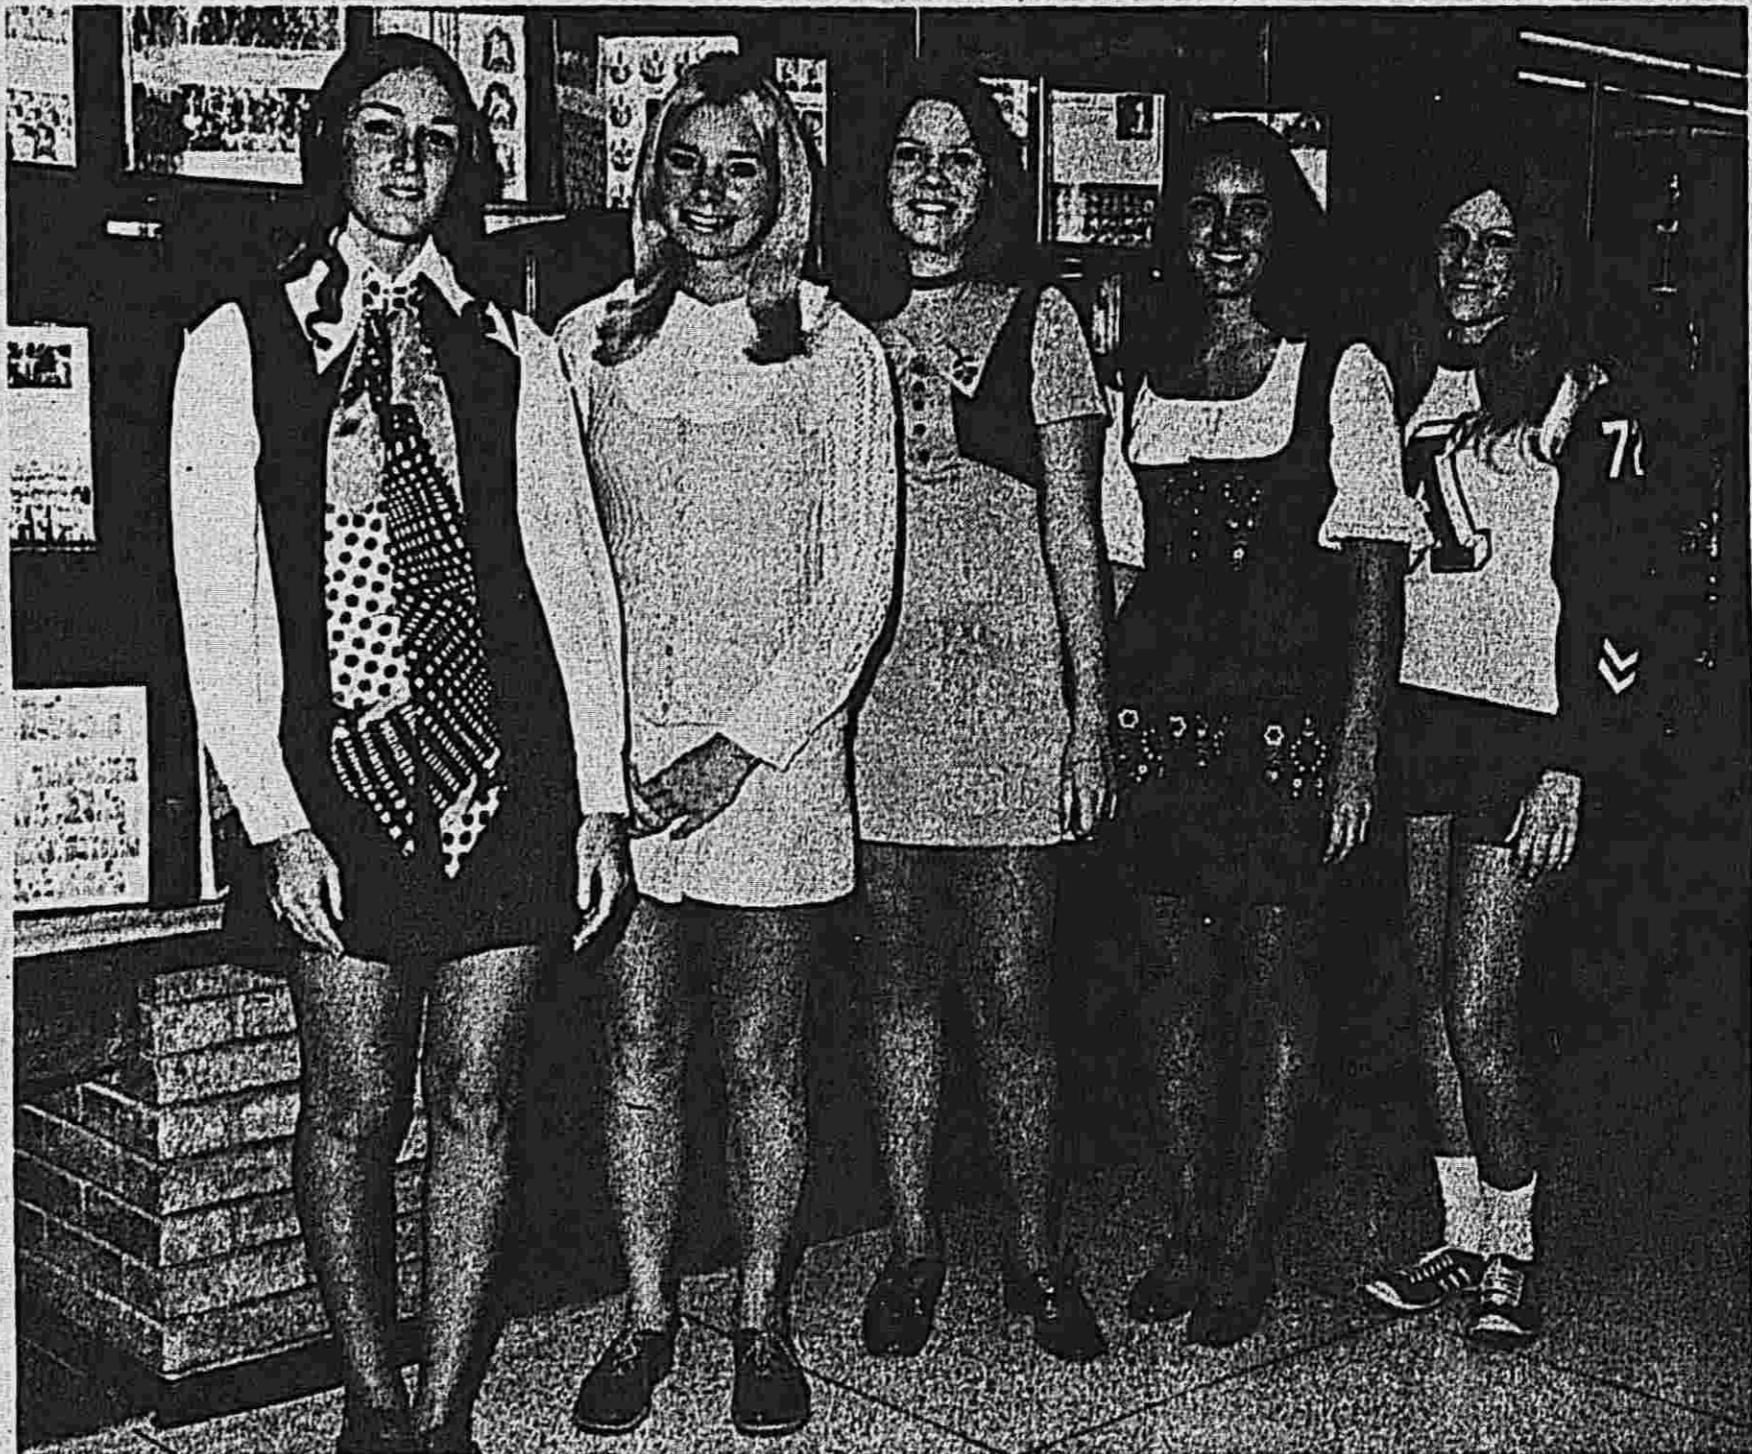

TO SPONSOR

QUEEN CONTEST

Farmers Insurance Group is presenting the opportunity to some lucky girl to have an all-expense-paid air trip to Pasadena to participate in the parade and attend the Rose Bowl football game.

The contest is open to unmarried women, age 18 through 25. Entries must be postmarked no later than midnight, October 20, 1971. Entry blanks are available from any Farmers agent or by writing "Queen Contest, Farmers Insurance Group, 4680 Wilshire Blvd., Los Angeles, Calif., 90010."

Theme of this year's Tournament is "Joy of Music" and the Farmers Insurance Group float theme will be "I Love You Truly," based on the famous wedding song. The float depicts a bride in a gown made entirely of white flowers — orchids, roses, gladioli and carnations — leaving a chapel with her bridegroom following their wedding.

Sequoia Queen Candidates ("L to R") Kathy Walpole, Joan Walker, Sherri Crawford, Lynn Hall, Sheila White.

GARY MANDEHR, ANTIQUE HIGHS' VARSITY CROSS COUNTRY RUNNER BECAME THE FIRST RUNNER IN ANTIQUE HISTORY TO WIN THE CROSS COUNTRY CHAMPIONSHIP. GARY BEAT THE DEFENDING CHAMPION, JIM WHEELER FROM ZION-BENTON BY AT LEAST 100 YARDS FOR THE TITLE.

Cross Country

GARY MANDEHR BRINGS HONOR TO ANTIQUES CROSS COUNTRY TEAM

Cross Country - Lake County

Gary Mandehr brought honor to the Antioch cross country team by being the first runner in Antioch history to win the individual county cross country championship. Gary beat the defending cross country champion, Jim Wheeler from Zion-Benton High School, by at least 100 yards for the title.

As a team we finished 4th out of 18 teams with 143 total points. Other place finishers for Antioch were: Rick Weiss, 8th; Brian Hallwas, 35th; Bob Dodd, 44th; and Mike Effinger, 55th.

Mike Harland, freshman, running in the frosh-soph race finished 6th to lead the frosh-soph runners.

WARREN TOPS TEAM

Cross Country - Antioch, Warren, Round Lake

On the bus to the meet, Coach Mueller told us he wanted this one badly. Unfortunately, we lacked spirit and didn't respond to the challenge.

We expected to compete against a few runners from Round Lake, but the main concern was the tightness of Warren's middle runners. To

win, our middle men must break up theirs. They were tougher than we expected and we weren't ready to give them a good race. Gary Mandehr finished first and Rick Weiss finished 4th. Because of their tight middle, the Blue Devils pushed 5 men across the finish line before we did. Final score of the varsity meet was: Warren 23 - Antioch 34, Antioch 22 - Round Lake 33.

By the way, the sophomores didn't do badly, losing by only two points to Warren. Mike Harland ran a fine race only to get beat in a close fight to the finish.

THE 8TH MAN

Anyone who wishes further information should write the Illinois Eye Bank, 220 So. State St., Chicago 60604.

HEADACHES

A headache can be due to great many different things, according to the Illinois Society for the Prevention of Blindness. It is a condition and not a diagnosis. Since the eyes are responsible for many of the headaches, they should be checked as the first approach to the problem. Glasses may be needed, the eye muscles may not co-ordinate just right or early glaucoma may be present. A low grade inflammation of the iris may be found. The nerve head may be swollen, indicating increased pressure within the skull, or retinal hemorrhages may be discovered, pointing to high blood pressure, hardening of the arteries, anemia, or diabetes. If you have a persistent headache, don't neglect it. See an eye doctor.

Eye Donors Needed

The donation of body organs, tissues, and entire remains is gaining acceptance daily but the need for corneas to restore sight far exceeds the available supply according to the Illinois Eye Bank.

"We are always in need of donors. We have never been without a waiting list of people seeking transplants," says Leonard Heise, Executive Director for the Illinois Society for the Prevention of Blindness which administers the Eye Bank. "We find the biggest problem in obtaining donors is trying to inform them how to go about it. Many people want to give, but they don't know what to do."

The process of signing up is simple. A potential donor needs only to sign the EYE DONOR FORM, before two witnesses. He carries a wallet card at all times in case of sudden or accidental death.

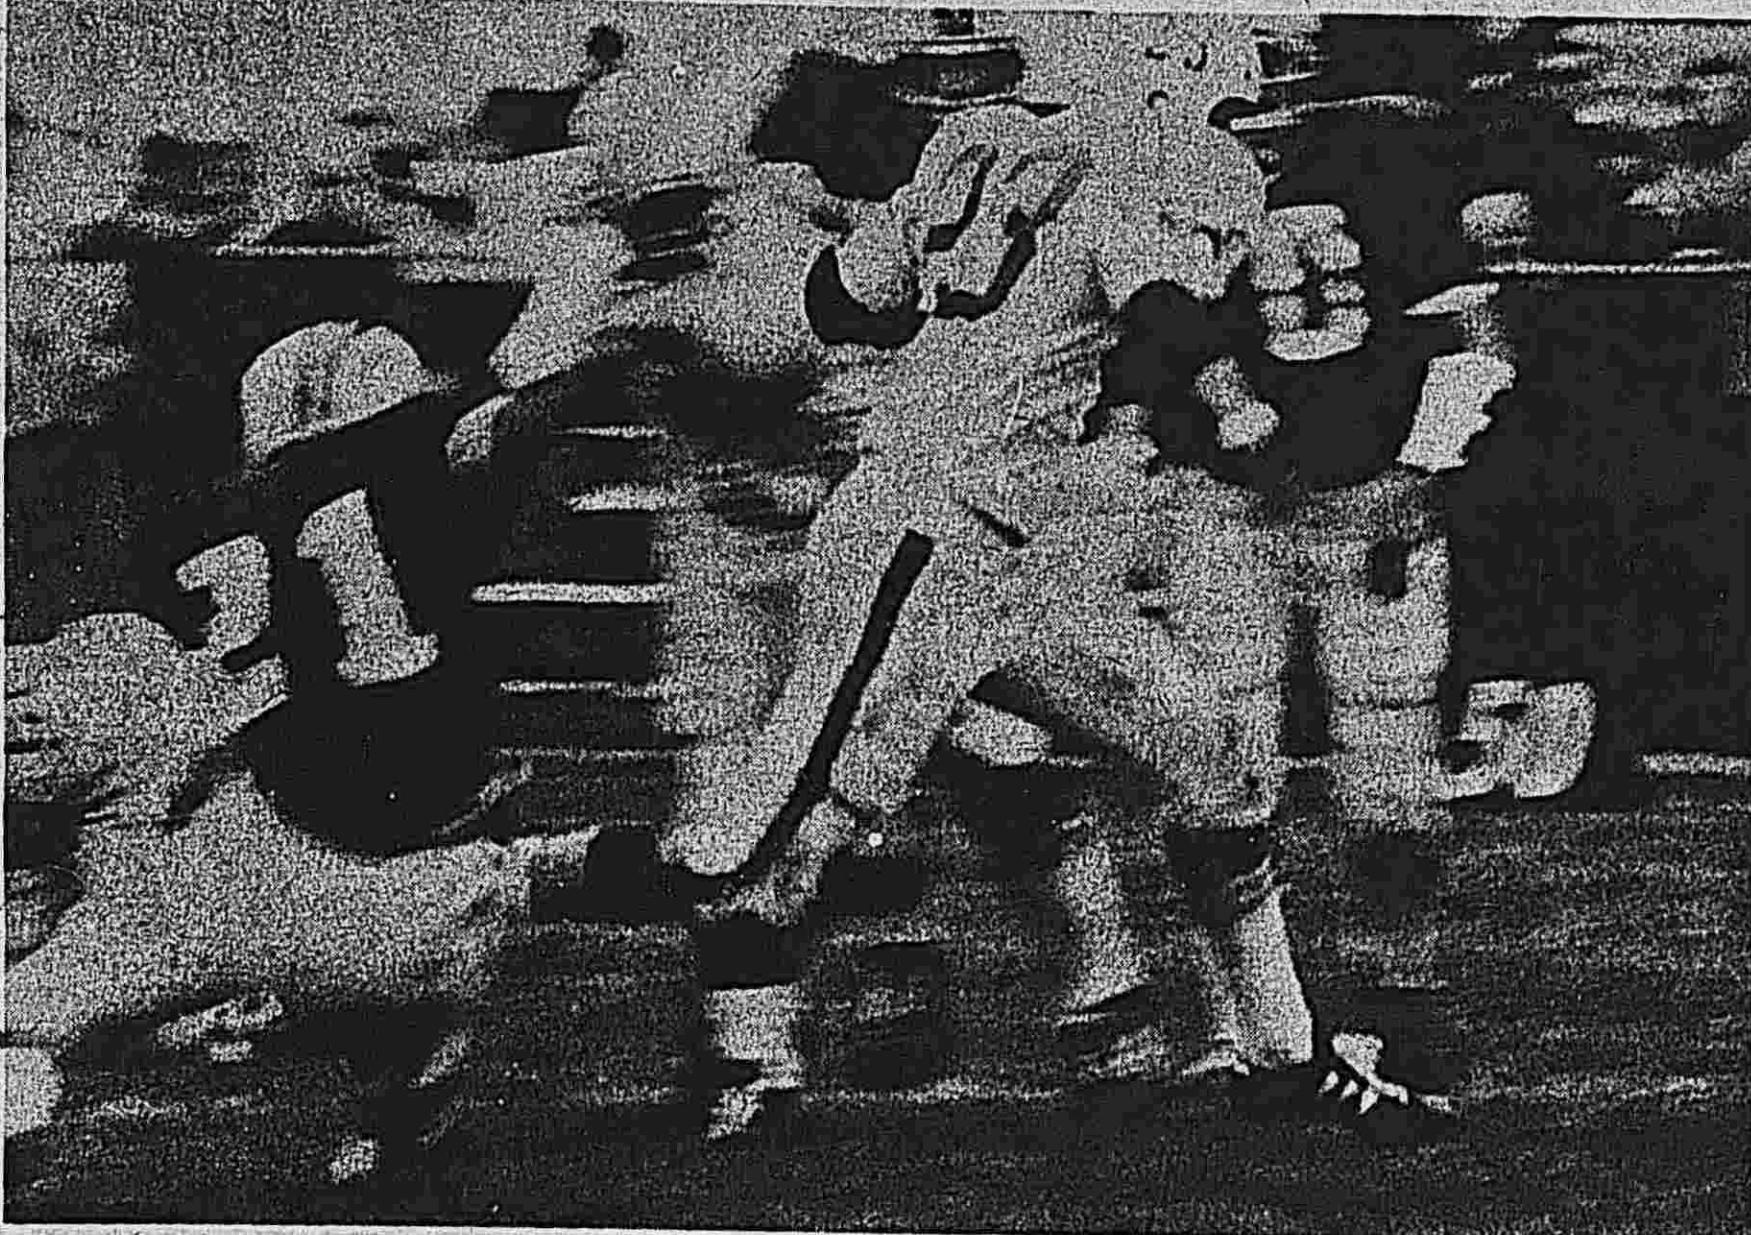

If you have had a portrait from us this year - your negative is on file and ready for you. If not; call NOW and make an appointment for a portrait, professionally taken, in a pleasant and friendly atmosphere. CARDS ORDERED BEFORE November 12 will be at a savings to you.

PP&K CONTEST

David Frook, our 9 year old winner in the PP & K contest that was held on October 3 came back with a trophy from the Zone H contest in Crystal Lake on Saturday October 9. For the second step in the contest David totaled 177 yards in the three events.

From here David goes on to the third round at Grant Park in Chicago. If he wins there he then goes to the finals to be held at Soldier Field at one of the Bear games. Good Luck, David!!!

\$112,000.00 RAISED

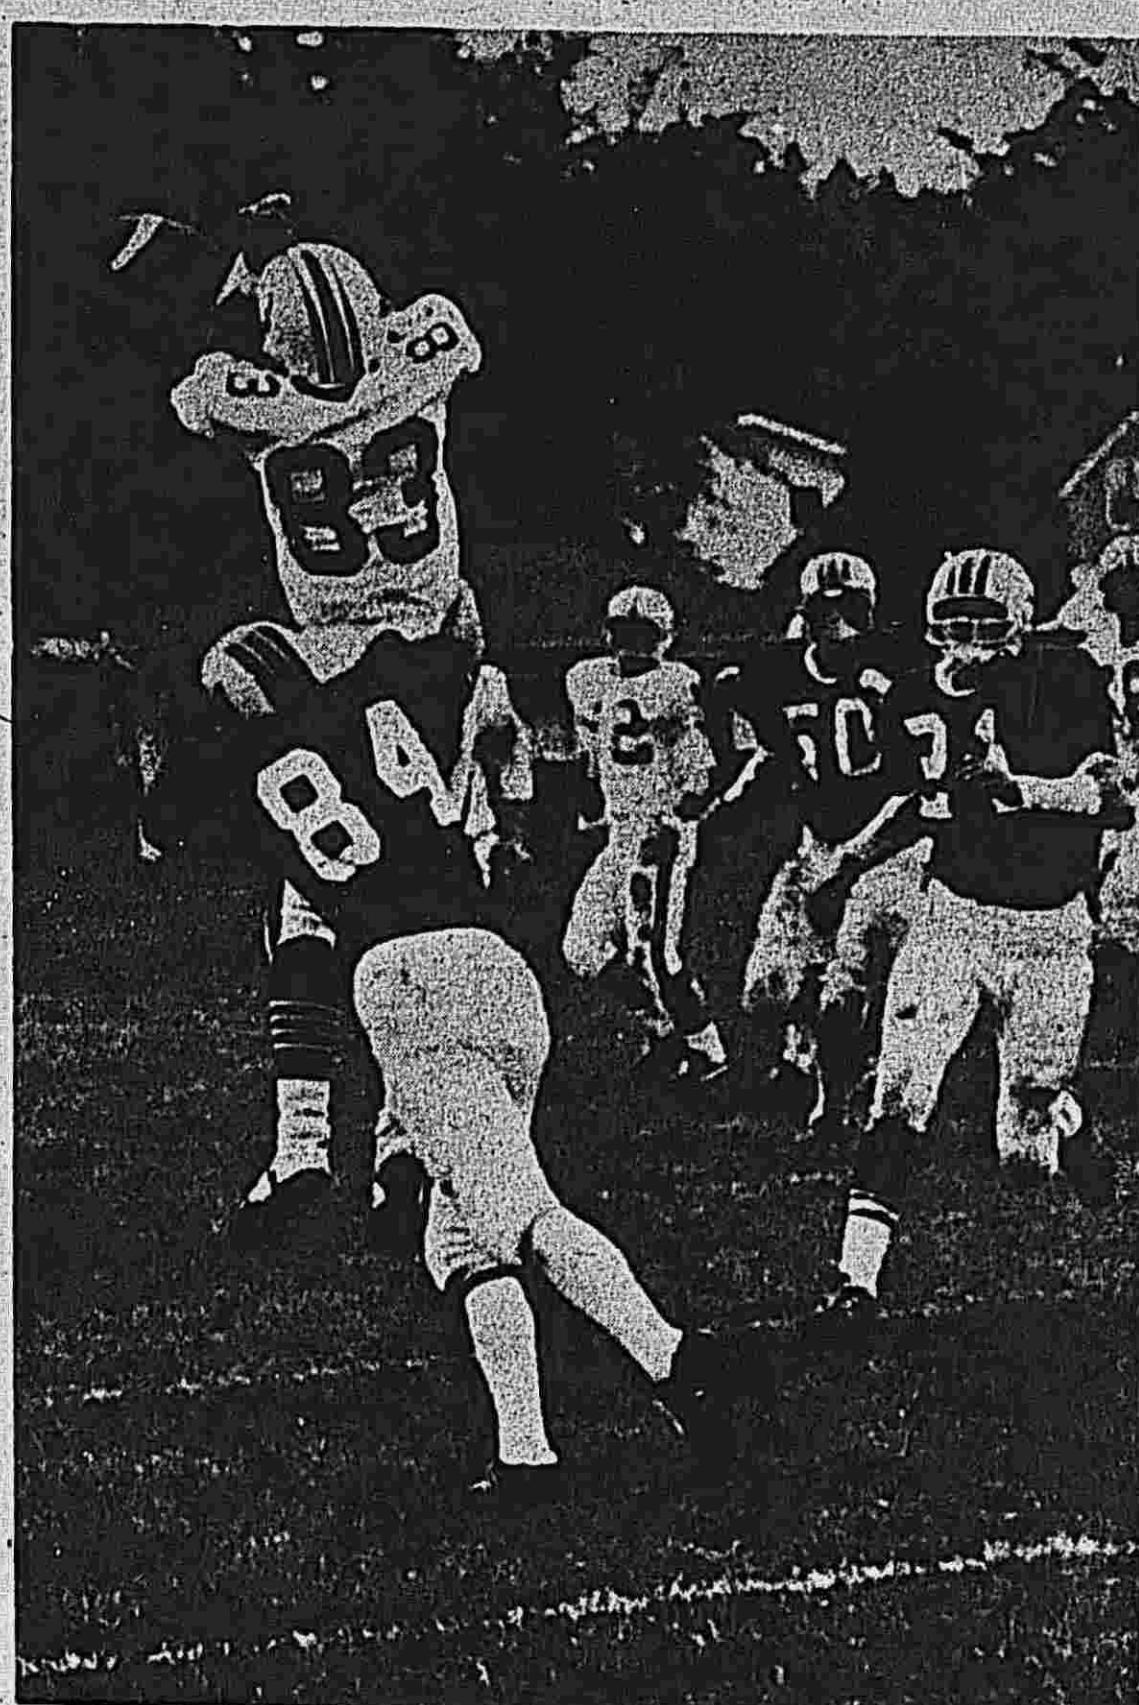

FOR CANCER SOCIETY

A Victory Dinner for the American Cancer Society, Lake County Unit, was held Tuesday, September 28, at the Country Squire. The Lake County Unit had a goal of \$102,500, and raised a record \$112,000.00 for the Crusade year ending August 31.

Mrs. William Brook and Mr. Preston Reckers, who raised \$2,866.00 in Antioch, said, "The efforts of the Crusaders was appreciated and their hard work has paid off in a record crusade. The slogan for this year's Crusade "We Want To Wipe Out Cancer In Your Lifetime" can be a reality with continued effort and support for the American Cancer Society.

Mr. Gordon Gilkey, Vice President of Civic Affairs for Carson Pirie Scott & Co. congratulated the Crusade Team and thanked them for their loyal support and team effort in raising this large sum of money. Mr. Gilkey was involved with the Crusade as part of the State leadership team.

The funds raised will support the programs of Education of the public to early detection and diagnosis of Cancer, Service to the home Cancer Patient, and Research funds for the conquest of Cancer.

A Great Effort by No. 83, Reed Ano and Good Defense by the Rams On a Pass From Sequoit Q.B. Chuck Chapman.

FROSH "B" TEAM WINS

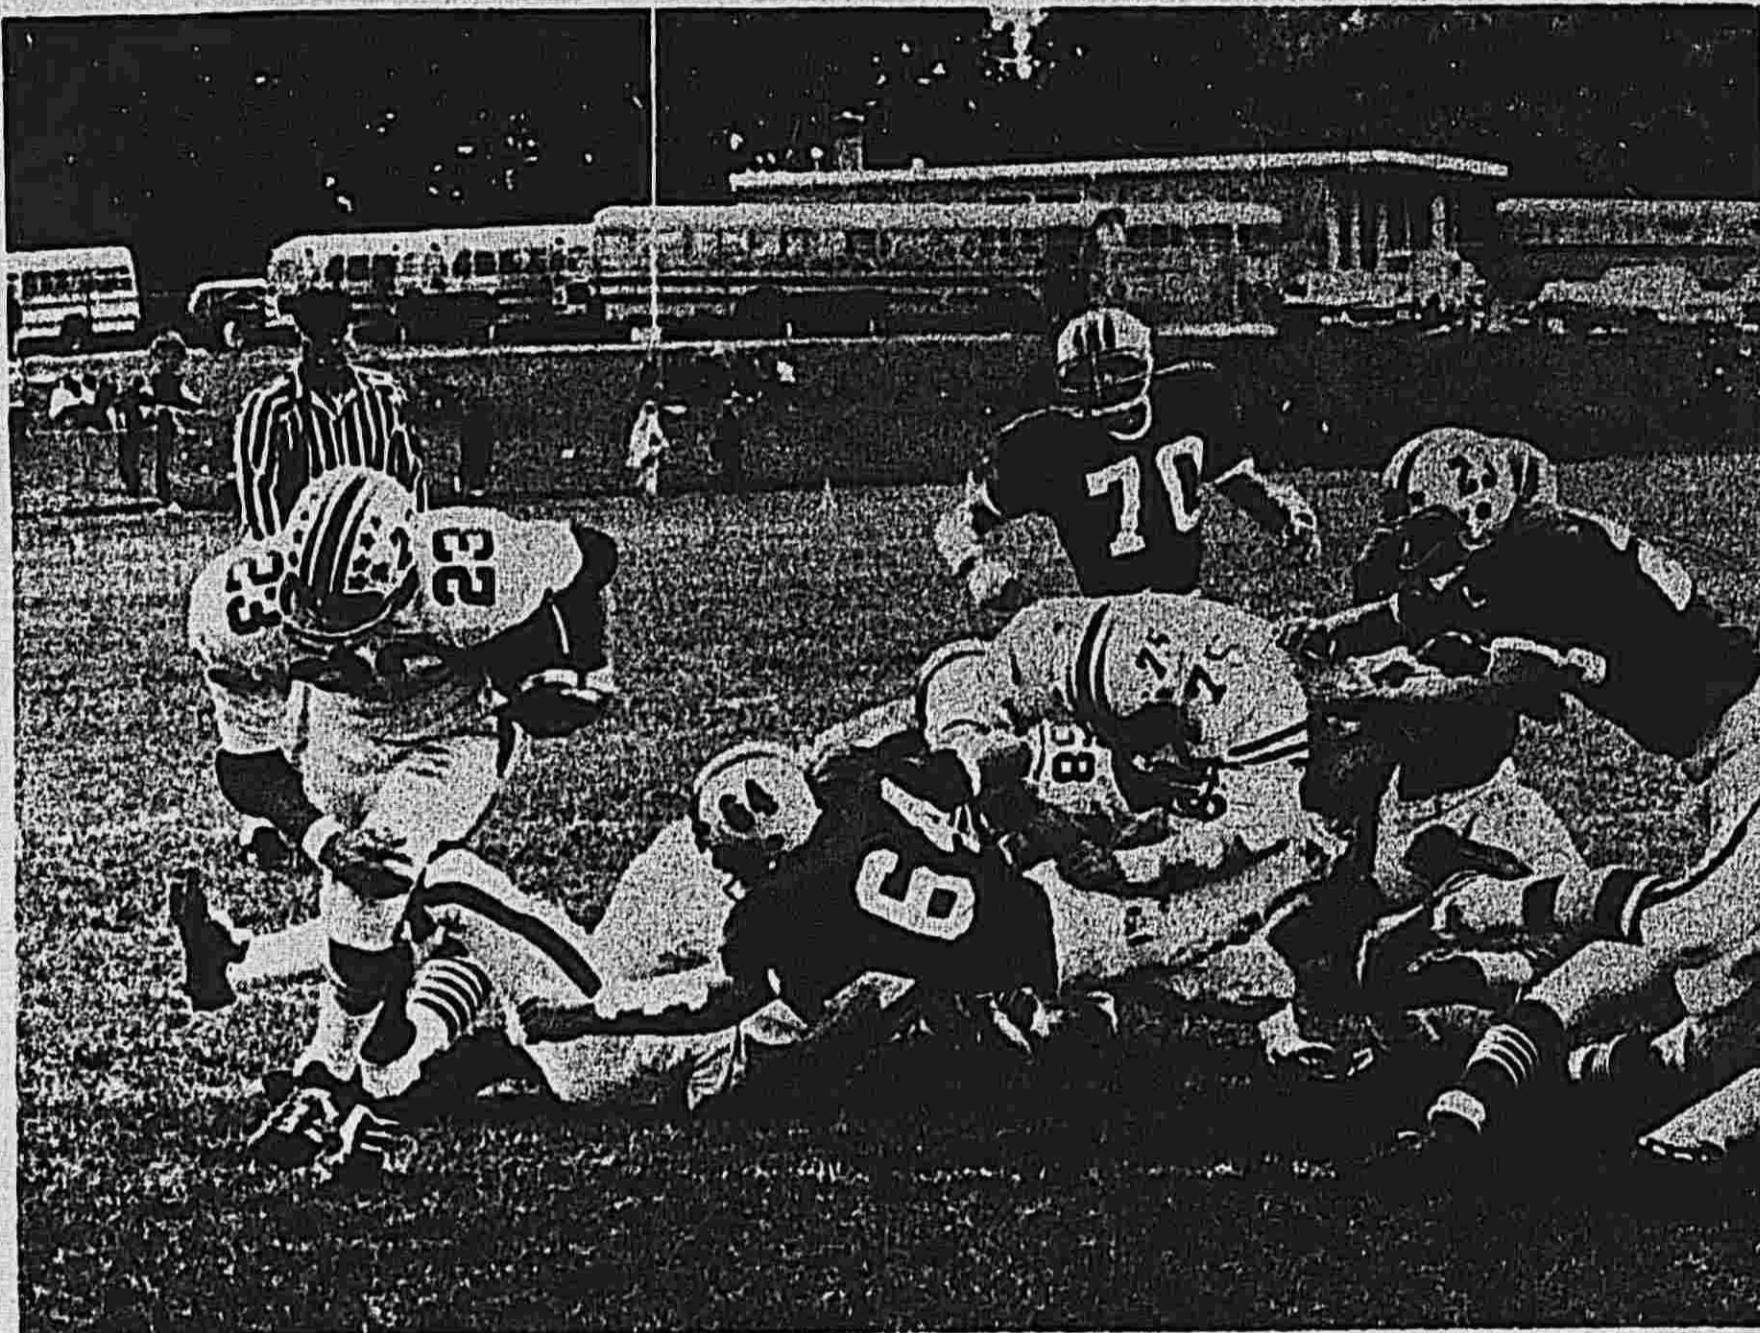

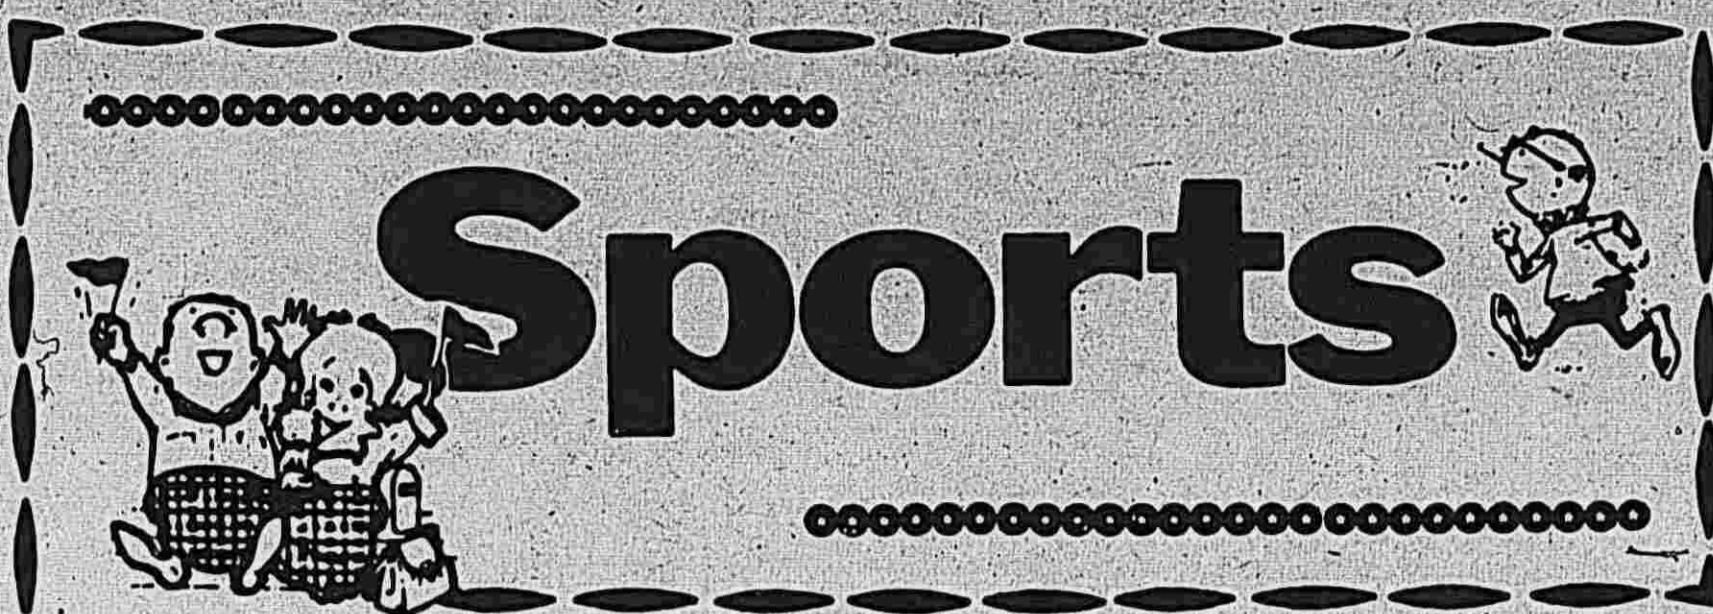

Monday morning the Antioch freshman "B" football team brought its season record to 2 wins and 1 loss with a thrilling 12-6 victory over Barrington. The Sequoits were able to control the ball much of the game and ran a total of 53 offensive plays. The first score of the game came on a 30-yard-off tackle run by JERRY POPP. The extra points were missed and the Sequoits led until the last play of the first half. With 5 seconds on the clock, Barrington swept their left end for 99½ yards and a touchdown. The score remained 6-6 until early in the fourth quarter when JEFF SCHMIDT passed to JEFF ZERSEN for a 14 yard touchdown. The leading rushers for Antioch were JERRY POPP (69 yards - 19 carries) and KEN BLUMENSHEIN (50 yards - 4 carries). JEFF SCHMIDT threw 2 complete in 6 attempts for 37 yards. The Sequoits offense played its best game of the year with a total offense of 201 yards. Credited with fine defensive efforts were SCOTT VAZQUEZ, GREG KENNEDY, JEFF HARCEY and GARY JANSEN.

Sequoits Tromp Grayslake

The game was primarily a case of grinding out the yardage on the ground. The Sequoits carried 55 times for a total ground game of 269 yards for an average of almost 5 yards a carry. Ken Sterbenz carried 29 times for 134 yards to lead the rushing; Dave Crutchfield came in a close second with 22 carries for 122 yards. The passing game was limited to 8 yards, Chapman to Bolton.

In the defensive game Ken Tell turned in an outstanding job with 7 tackles and 4 assists.

Bill Weber, who hasn't played much on offense, came off the bench to do an outstanding job of blocking.

Next Saturday's Homecoming game with Warren rates as a must for Antioch. Warren will carry a 3-0 conference record onto the field against the Sequoits' 2-1. According to Coach Roy Nelson Antioch's hopes for a Championship rest with overcoming our lack of depth and stopping Warren's power off tackle. Warren's big backfield will also present a problem.

Warren leads the conference 3-0 (4-0 over all) and Antioch finds itself grouped with Lake Forest and Lake Zurich in second place with 2-1 records.

12th MAN

Our 12 to 7 victory over Grayslake last Saturday was not exactly of the most convincing kind, but it was a victory and a very important one for us. Not only did we win, but we also found many bright spots in our squad of only 27 players.

GREG CRUTCHFIELD and KEN STERBENZ did outstanding jobs rushing, each racking up over 100 yards. After JIM REVELL got hurt early in the ballgame, LEE BOLTON and DAVE DIZIKI did a good job replacing him. STEVE GIBSON came in at nutcracker for JIM MIHOVOLIVICH and did a fine job. By all these substitutes coming in and doing the job for us, we proved that we have depth, even though we only have 27 athletes.

Grayslake has a tough football team. They're gutty and not afraid to hit. We were up for the game though, not only for our championship hopes of this year, but also because we felt we owed them something from last year's game.

Next we will really be put to the test against Warren for Homecoming. They're the only undefeated team in the conference with a 4 and 0 record, but I think we will change that next week.

Freshman Squirm By Grayslake

Antioch's freshmen football team remained undefeated in conference play by slipping by Grayslake 8-7 last Saturday. The game was one of the most exciting in several years. Antioch scored first when MIKE PERRONE tackled by Grayslake player in the end zone. The player tackled had intercepted a pass intended for Perrone. The score of Antioch 2, Grayslake 0 was short lived, however, as three plays later an Antioch fumble was scooped up by a Ram player who ran it 55yds for a touchdown. The extra point kick was good and Antioch trailed 7-2.

In the third quarter the junior Sequoits regained the lead when KEVIN ANO sneaked two yards for a touchdown. The score was set up by a 44 yard scamper by LARRY SMITH. Then the Antioch

defense, which had been tough all day, was again put to the test. The Rams were driving for a score but were finally stopped on the Antioch 6 yard line. Three plays later a fumble gave the ball back to Grayslake on the home team's 9 yard line. The Sequoitt defense again, held their ground on three plays as time ran out.

Coach Hahn felt the game was won by the defensive team. The stout defenders had to play two thirds of the game as offensive mistakes gave the ball away. Antioch lost three fumbles and had two passes intercepted in the contest. But the victory enables Antioch to enter this week's game with Warren on an equal basis. Both teams are 3-0 and the winner will have the inside road toward the title. The game is at Warren on Friday at 4:30 p.m.

DEPOLLUTE

Help get antipollution ideas into kids' heads. If you're a teacher, a Scout leader, a camp counselor, a summer playground assistant: teach children about litter, conservation, noise... about being considerate, which is what it all comes down to.

DEPOLLUTE

Never flush away what you can put in the garbage. Especially unsuspected organic cloggers like fat (give it to the birds), coffee grounds, or tea leaves (gardeners dole on them).
